I would like to thank all those that have helped me in putting this Thompson family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm healthy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.

Family of Ignatius and Ann ? Thompson and their 9 children. Book 3 and 4 will be their son John Wesley and Mary Harpole Thompson and Book 5 will be their son Levi Douglas and Martha Billiter Thompson and their children.

Book 1 is the first of this line that I know which is Ozwald and Anna or Nancy ? Thompson Sr.

Notes

HUSBAND - Ozward Thompson Sr.*

Several spellings for his name from Ozward, Oswell, Ozwell so not sure which one was correct.

BIRTH: Located a cemetery record which listed Oswell Thompson died 26 Aug 1810 at age 65y 5mo 22da, which would calculate to birth of 4 May 1745.

MARRIAGE: Beginning to look like maybe he was married 1st to Ann then later to Nancy, however not located marriage record for either. One source mentioned Oswell and wife Anna came to OH about 1800 and settled Union Twp. (All Quakers) and had 9 children, one being Thomas L. Thompson who md Mary Davenport. That Thomas was son of Ignatius (son of Oswald) and Ann Thompson. Unless this source has confused Oswald and Ann for Ignatius and Ann. Checked Berkeley Co. VA for mg record and did not locate any there. Checked St Marys Co. MD also and no record. (It is possible Ann & Nancy are one in the same also?) Land record in Ross Co. OH 1807 listed wifes name as Anne. Then will of 1810 listed wife as Nancy.

DEATH: Located records from the Thompson cemetery which is located in Union Twp. Ross Co. OH on what was the Rinkliff Farm and owned by Shirley McCalla in 1965. However no wife was listed there.

First info from Eldon Thompson May 1995. They had located the will of Ozward Thompson from Ross Co. OH dated 1810 and listed all children and wife.

I did a lot of research at Ft Wayne IN library in Oct 1995 and didn't locate them before coming to OH.

I wrote to Ross Co. and got copy of the will #6313, June 1995. It was also abstracted in the book Ross Co. Wills. It would appear Ignatius was son of Oswald. Written 15 Feb 1810 & Prob. 3 Sep 1810.

Will: In the Name of God Amen, Whereas I knowing well that it is appointed for all men once to die, I Ozward Thompson Sen-r of Ross County and State of Ohio now being weak in body, but of perfect mind and memory, do make ordain, appoint and establish this my last Will and Testament, as followeth- (Viz) First, I recommend my soul

NB- The 8th Item altered and amended on the evening of Tuesday the 28th Day of August 1810 within two hours of the Death of the Testator, as witnessed our hand, Benj Jones, Thos Holing?+++++++ Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later. 1820 was the first census and he had died by that time. However his wife was listed. Not known at this time where Ozward came from, there were people by that name in VT and MD, don't know about VA. It is thought Ozward came to OH very early as there was one person by that name in the early tax records of Washington Co. OH. Do we know this Ozward was father of Ignatius, he was listed in his will in Ross Co. OH and there was only one in the area? Do we know his son Ignatius was our direct line? Not for sure but that name also wasn't a popular name in OH records. His wife was Ann and his children were listed as same ones that was in Madison Co. OH in 1834 signing land records and we do know John W. Thompson md Mary Harpole in Madison Co. OH so all that info seems to fit. LAND RECORDS ROSS CO OH: There are 4 records have copies of for Ozward Thompson that I believe are for this person. Received Jan 1996 from Ross Co. WIFE	- Anna or Nancy ?Unknown
BIRTH: Info from Eldon Thompson listed her birth abt 1758, don't know where they came up with that date. MARRIAGE: There is a possiblity that Nancy was a 2nd wife, if some sources are right that say wife was Anna abt 1800 when came to OH. I'm inclined to think Anna wife in 1807 land record and Nancy 1810 will are actually the same person. DEATH: Only thing known to date is she was living when Oswald made his will in 1810 and she was in 1820 census as age over 45 which would be before 1775. First info from Eldon Thompson May 1995. They had located the will of Ozward Thompson from Ross Co. OH dated 1810 and listed all children and wife Nancy. I wrote to Ross Co. and got copy of the will. It was also abstracted in the book Ross Co. Wills.

	Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later. 1820 was the first census and he had died by that time. However his wife was listed.
	1820 Ross Co. OH Nancy Thompson m-to 10-2 f-10/16-1 16/26-1 over 45-1
	1830-40 No Nancy Thompson listed in census index of Ross Co. OH.
	Not known at this time where Ozward and Nancy came from, there were people by that name in VT and MD, don't know about VA. It is thought Ozward came to OH very early as there was one person by that name in the early tax records of Washington Co. OH. Do we know this Ozward was father of Ignatius, he was listed in his will in Ross Co. OH and there was only one in the area?
CHILD 1	- Philip Thompson
	BIRTH: Several census listed differant birth dates but 1850 listed age as 76 which would be about 1774 which could be close to right. One Philip was listed as son of Ozward Thompson and was to receive the land he was living on in 1810.
	MARRIAGE: Not located md record in Ross Co. but could be before 1794 and maybe that would be Washington Co. OH or MD?
	DEATH: Will filed 28 Feb 1855 Ross Co. OH according to a book "Ross Co. OH Families Vol III pub 1982 on pg 311 which also states he was born in Maryland.

Checked Ross Co. OH cemetery books and did not locate Philip Thompson but believe his wife was listed in the Thompson cemetery where Philip's father was buried.

Checked same books as did for Oswald Thompson for Philip but didn't locate anyone thought was this person, except for the early marriage record. Had believed the Thompsons were from Maryland and Berkeley Co. borders Maryland so could be.

CHILD 2 - Ozward Thompson Jr

BIRTH: 1820 census list birth as 1775-1794 so believe was between that time. Maybe MD or OH? He was listed in will of father Ozward SR. 1810 Ross Co. OH. To receive land he was living on then.

MARRIAGE: Eldon Thompson info said he was md to Catharine ? and appears before 1794 so maybe record in Washington Co. OH or MD?

DEATH: Not sure when died, he was listed in 1820 Ross Co. OH census but not located there in 1830 and then Katharine is in Liberty Twp. 1840 with children. Obit of son in 1892 said family came to Cass Co. IL in 1826. Wrote to

Wife	Anna or Nancy ?Unknown
Notes CHILD 4 - Ezekiel Thompson (Continued) hours before his death. Early on in the will it states "amongst all my sons, Namely, Ignatious, Philip, Ozward, William and Joseph Thompson". Then in Item 8th, I ^ (lodicial an addition of Supplement) give and bequeath unto my beloved son Ezekiel Thompson, all that tract or parcel of Land that I purchased of George Emery Sen ^ (after my estate pays for it) together with all the Improvements thereon, to him and his heirs forever. Then at the bottom of the will is the following note. NB The 8th Item altered and amended on the evening of Tuesday the 28th day of August 1810 within two hours of the Death of the Testator as witness our hands, Benjm Jones Thos Holing On another page where it is taken before the probate court judge, he has the heirs sign that they agree to have the will proven. It lists; Anne (Her X Mark) Thompson, Widow, Ignatious Thompson, Philip Thompson, Oswell Thompson, William Thompson, Ezekiel Thompson, Joesph Thomson. The widow's name is given as Anne on this page although in the will the wife's name is given as Nancy, so the wife must have gone by both names. I will probably e-mail this to you as well. Hope this helps, Paul Rekow CHILD 5 - William Thompson BIRTH: Not sure when birth occured as so many Williams in Ross Co. OH not sure which is this person. He was listed in will of father Ozward 1810 Ross Co. OH. He was to receive land on South West side of Deer Creek near his brothers. MARRIAGE: Eldon Thompsons info said he md Rebecca Simpson 24 Jan 1814 Ross Co. OH. Other source says William Thompson md Mary Nichols ca 1810 Ross Co. OH. Other source list this Wm 1786-1847 md Mary Nichols and had son William A. b. 1819 Ross Co. OH, d. 16 Nov 1911 Grandview, Louisa Co. IA, bur Thompson cem, Married 10 Oct 1840 to Jane Shellabarger Louisa Co. IA. DEATH: 23 Jul 1847, Grandview, Louisa Co. IA, bur: Thompson cem. 1820 there was only one William Thompson but if elder person he would have been too old but maybe there was another older person living with him. Only one Union Twp: William m-to 10-3 10/16-1 26/45-1 ov 45-1 and females-to 10-1 26/45-1. 1830 there were 4 Williams, 2 in Union Twp: William m-10/16-2 15/20-1 20/30-1 30/40-1 40/50-1 and females-5/10-3 10/15-1 30/40-1. Other one was: William males-to 5-1 15/20-1 50/60-1 and females- 50/60-1. 1840 only one old enough, Col Twp: William m-60/70-1 and f- 50/60-1 others in Scito Twp, Rich and Twin twp but too young. 1850 No William in Union Twp, Ross Co. OH, 1 in Chi twp but not checked yet. 1860 No William or Rebecca in Union Twp. Ross Co. OH. Located on the internet under familysearch.com a pedigree with Ozward Thompson and listed son William b. 20 Jun 1786 Va, d. 23 Jul 1847 Grandview, Louisa Co.,IA md to Mary Nichols abt 1810 Ross Co. OH? I don't know who put the info in thought as haven't been able to find that out. Believe her William is not this William though. This person also has a son Philip who md Rebecca Henderson and I know that Philip was son of Oswald Jr, not William. One internet site listed Williams birth as 20 Jun 1786 Virginia and d. 23 Jul 1847 Grandview, Louisa Co. IA md to Mary Nichols ca 1810 Ross Co. OH and listed 8 children 2 which carried on info. (Feb 2009 from Laurie Shaft) She didn't list son Philip, but was having children during 1814 when one William Thompson was md to Rebecca Simpson. Now have to find out which Wm md whom. This differs with mg to Rebecca Simpson. CHILD 6 - Joseph Thompson BIRTH: If have info on right person, he may have been born ca 1790-1800 but not sure. He was listed in will of father Ozward 1810 Ross Co. OH. He was to recieve land on the South West side of Deer Creek from his brothers. MARRIAGE: Eldon Thompson info said he md Elizabeth Shockley 27 Aug 1816 Ross Co. OH. (If Joseph was 20 when md, born ca 1796) DEATH: Not located date as no info on him after 1830 to date. 1820 there were two Joseph's in Ross Co., one in Union and one in Jefferson Twp. Believe one in Union is this person:

Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later. 1820 was the first census and he had died by that time. However his wife was listed.

Not known at this time where Oswald came from, there were people by that name in VT and MD, don't know about VA. It is thought Oswald came to OH very early as there was one person by that name in the early tax records of Washington Co. OH. Do we know this Oswald was father of Ignatius, he was listed in his will in Ross Co. OH and there was only one in the area?

Do we know his son Ignatius was our direct line? Not for sure but that name also wasn't a popular name in OH records. His wife was Ann and his children were listed as same ones that was in Madison Co. OH in 1834 signing land records and we do know John W. Thompson md Mary Harpole in Madison Co. OH so all that info seems to fit.

Following is an excerpt from "The
Paxtons" (by W. M. Paxton, of
Platte City, Mo.; publ. 1903) which
ment. no military service for Sam-
uel but some of his immediate
fam. served in 1812 War. His desc.
are fully traced in the book.

Samuel Paxton, son of Samuel &
Mary (Moore), was b. c1754 Rock-
bridge Co., Va.; md. c1777 Mar-
garet Thompson (b. Ireland; to
America when aged 10). Thru the
courtesy of Dr. Ben Fowler Paxton,
of St. Paul, Minn., I have the origi-
nal papers left by Samuel & Mar-
garet. (The signature of Samuel
shows a business hand, & his writing
indicates unusual scholarship. There
are some indications that he was a
local attorney.)

"State of Tennessee, Blount Co.
This is to certify that Samuel Pax-
ton, his wife Margaret, and daugh-
ter Polly, have lived in the bounds
of this congregation for several
years past—have supported a good
moral character—were admitted to
the communion of the church, and
now leave it free from public scan-
dal or church censure, known to us.
Given by order of the session of
New Providence congregation [This
church was in Rockbridge Co., Va.—
EPT], this the 28th day of August,
1802.

Gideon Blackburn, L.D.M.
N.B. The rest of the family, as far
as grown, have behaved discreetly,
but have never applied for nor were
admitted to, privileges. G. B."

This church letter shows the time,
approximately, when the fam. left
Va. Dr. Blackburn c1802 went
West, & may have been in Tenn.
when the letter was given.

A year later we find the fam. in
Adair Co., Va. [The bk. so says but
obviously Ky. is meant.—EPT] for
Samuel & Margaret Oct. 14, 1803
made & acknowledged in Adair Co.,
Ky. [Sic.—EPT] a power of att'y,
authorizing James Caruthers to sell

This Celia Mounts was interested
in gathering her fam. data in the
1880's when she corresponded with
relatives in Ky., Ill., & Iowa. I
have her small rec. bk. of immediate
relatives & anc. of the Mounts &
Montgomery fam's. She found it
very difficult to secure dates, etc.,
from relatives but below I give the
fam. group of her gd.fa., John
Mounts sr., whom she indicates was
b. in Germany (I am certain this
meant the dist. in Pa. early called

Mounts sr. removed from Pa. to Va.

we find him there on Madison Co. tax

John Mounts jr. & Matthias who
are on tax lists of Madison & Wood-

A £900 bond (no evidence of its payment) of Hugh (his mark) Dougherty to Robert Thompson (may have been fa.-in-law of Samuel Paxton), dated Sep. 9, 1779 & attested by Robt. Harris & Samuel Paxton, is assigned by Thompson to Joseph Moore & by Moore to Paxton.

From deed for 100 acres in Giles Co., Tenn., from Richard Hightower to Samuel Paxton, we learn that Samuel was living in Giles Co. in 1810. The next paper is a bond for a deed: Aug. 24, 1816 to Geo. Oliver for the above 100 acres whereon grantor lives.

Other instruments show that Samuel Paxton made his will, appointing A. Redding exec., & d. 1824. The bill for burial goods is dated "Columbia" without naming the state. There is a Columbia in Adair Co., Ky., & another in Maury Co., Tenn., which adjoins Giles Co., Tenn., & as the exec. lived in Maury Co., I infer that Samuel d. in Giles Co., where it is certain the wid., Margaret, lived & d. c1830. HUSBAND - Oswald THOMPSON SR.-3277
Sources for Oswald:

BIRTH: Located a cemetery record which listed Oswell Thompson died 26 Aug 1810 at age 65y 5mo 22da, which would calculate to birth of 4 May 1745.

MARRIAGE: Beging to look like maybe he was married 1st to Ann then later to Nancy, however not located marriage record for either. One source mentioned Oswell and wife Anna came to OH about 1800 and settled Union Twp. (All Quakers) and had 9 children, one being Thomas L. Thompson who md Mary Davenport. That Thomas was son of Ignatius (son of Oswald) and Ann Thompson. Unless this source has confused Oswald and Ann for Ignatius and Ann. Checked Berkeley Co. VA for mg record and did not locate any there. Checked St Marys Co. MD also and no record. (It is possible Ann & Nancy are one in the same also?) Land record in Ross Co. OH 1807 listed wives name as Anne. Then will of 1810 listed wife as Nancy.

DEATH: Located records from the Thompson cemetery which is located in Union Twp. Ross Co. OH on what was the Rinkliff Farm and owned by Shirley McCalla in 1965. However no wife was listed there.

First info from Eldon Thompson May 1995. They had located the will of Oswald Thompson from Ross Co. OH dated 1810 and listed all children and wife.

I did a lot of research at Ft Wayne IN library in Oct 1995 and didn't locate them before coming to OH.

I wrote to Ross Co. and got copy of the will #6313, June 1995. It was also abstracted in the book Ross Co. Wills. It would appear Ignatius was son of Oswald. Written 15 Feb 1810 & Prob. 3 Sep 1810.

WIFE - Anna/Nancy ?UNKNOWN-3278
Sources for Ann/Nancy:

BIRTH: Info from Eldon Thompson listed her birth abt 1758, don't know where they came up with that date.

MARRIAGE: There is a possiblilty that Nancy was a 2nd wife, if some sources are right that say wife was Anna abt 1800 when came to OH. I'm inclined to think Anna wife in 1807 land record and Nancy 1810 will are actually the same person.

DEATH: Only thing known to date is she was living when Oswald made his will in 1810 and she was in 1820 census as age over 45 which would be before 1775.

First info from Eldon Thompson May 1995. They had located the will of Oswald Thompson from Ross Co. OH dated 1810 and listed all children and wife Nancy.

I wrote to Ross Co. and got copy of the will. It was also abstracted in the book Ross Co. Wills.

Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later. 1820 was the first census and he had died by that time. However his wife was listed.

1830-40 No Nancy Thompson listed in census index of Ross Co. OH.

Not located any info to date.

I wrote to Ross Co. and got copy of the will #6349, Received Jun 1995. It was also abstracted in the book Ross Co. Wills.

It appears the will was first dated 22 Oct 1825 then crossed out and 15 Mar 1826 written in place. It does list wife and sons Charles W, Thomas L, & John W. all who signed land records in Madison Co. OH 1834-1844. It would appear Ignatius is the father of our John W. Thompson.

Will: In the name of God, Amen, I Ignatius Thompson of Union Township, Ross County, State of Ohio, being in perfect health of body, mind, memory & understanding, knowing the certainty of Death, and the uncertainty of the time thereof, do hereby make, and constitute this my last Will & Testament, in manner & form as followeth viz.

BIRTH: Several census listed differant birth dates but 1850 listed age as 76

that would be Washington Co. OH or MD?

SOURCES:

Checked Ross Co. OH cemetery books and did not locate Philip Thompson but believe his wife was listed in the Thompson cemetery where Philip's father was buried.

Checked same books as did for Oswald Thompson for Philip but didn't locate anyone thought was this person, except for the early marriage record. Had believed the Thompsons were from Maryland and Berkeley Co. borders Maryland so could be.

CHILD 4 - Oswald THOMPSON JR-3280

Sources for Oswald:

BIRTH: 1820 census list birth as 1775-1794 so believe was between that time. Maybe MD or OH? He was listed in will of father Oswald SR. 1810 Ross Co. OH. To receive land he was living on then.

MARRIAGE: Eldon Thompson info said he was md to Catharine ? and appears before 1794 so maybe record in Washington Co. OH or MD?

DEATH: Not sure when died, he was listed in 1820 Ross Co. OH census but not located there in 1830 and then Katharine is in Liberty Twp. 1840 with children. Obit of son in 1892 said family came to Cass Co. IL in 1826.

1830 Not located Ozel/Ozwell/Ozward/Catharine in Ross Co. OH. Should be in Cass Co. IL or Morgan Co. IL as moved there 1826.

1840 Morgan Co. IL was listed two Oswell Thompsons one age 30/40 with wife and family and another Oswell age 30/40 with family. Who were they? One prob. son of Oswald Jr. But believe This Oswald had died before 1840 census and his wife was living with their son Philip Thompson age 60/70. Philip age 20/30.

1840 Ross Co. OH Liberty Twp.: Katharine Thompson m-5/10-1 15/20-3\2 and f-to 5-2 5/10-2 10/15-1 15/20-1 50/60-1 (if this person?) (Don't believe this right one) Believe she was with son in Morgan Co. IL. as Philip had female age 60/70 with him unless was Catharin's mother.

"OH Tax List 1800-1810" has Oswell Jr listed in Ross Co. OH 018 Union Twp. 1810 and several other Oswell/Ozward/Ozel all in Ross Co., different twps. and different years. Believe this one would be listed most years as the oldest, starting 1806-1807-1808-1809-1810-1817-1818. Last two prob. Jr. as is some of others believe, at least up until 1826 when was said they moved to Cass Co. IL.

18 Land Grants

The map on the opposite side graphically displays the allocations of lands through various grants of the part of the old Northwest Territory that became the great state of Ohio. Ohio became the 17th state in the United States of America through congressional action on March 1, 1803. However, as the map indicates the occupation of lands west, northwest and north of the meandering Ohio River were officially occupied several years earlier. The first of the 18 land grants in the area that is now Ohio was made in 1784; entitled Virginia Military Lands. These lands were awarded to Virginia soldiers of The Revolutionary War, including our First President (The Father of Our Country) George Washington, and Generals George Rogers Clark and Daniel Morgan. General Washington's four tracts of land, comprising 3,051 acres, were located in what is now Clermont County, just north of the Ohio River and east of what is now Cincinnati.

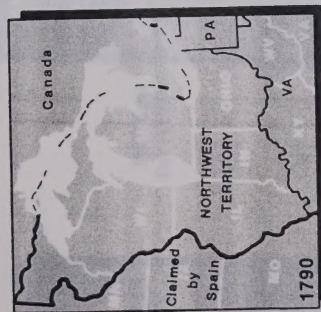

(This map is made available to the public by the Auditor of State in the hopes of generating further interest by Ohioans in the development of their great state.)

THE VALUE OF THE 1970 LUMBER CENSUS 1970-1980 BY WILLIAM J. HARRIS AND THE BUREAU OF LUMBER RESEARCH

W029M0HT

Published January 1980
for Lumber Research with funding by the
Canadian Forestry Service

While Canada's vast natural resource base has been the mainstay of the country's economy, the forest sector has been under increasing pressure in recent years. The forest sector's contribution to the national economy has declined from 10% in 1950 to 5% in 1970. This is due to a number of factors, including the depletion of the forest resource, the increasing cost of logging, and the increasing competition from other industries.

Indiana Territory

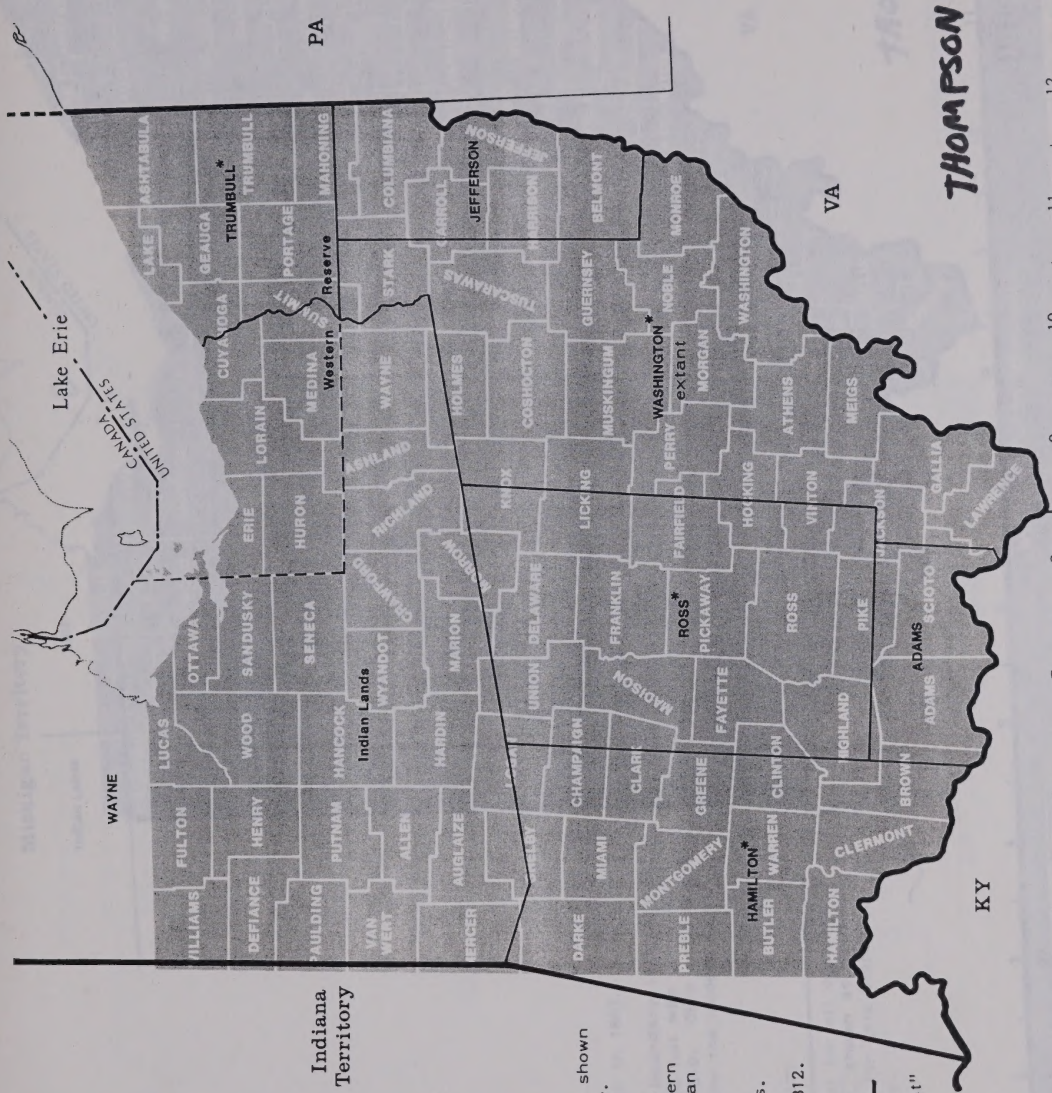

ton, Ross, and Washington are shown to the 1795 Indian treaty line.

Western Reserve was ceded by Connecticut in May 1800 and became a territory in July, but only the eastern half of the county was free of Indian

territory for the Detroit area, Wayne County was essentially Indian lands. The present Wayne County was established in 1808 and organized in 1812.

Map

This map is a reproduction of the original map published by the Government of Canada in 1942. It is a map of the Northwest Territories of Canada, showing the Yukon, Northwest Territories, and Nunavut regions. The map includes a grid of latitude and longitude lines, with latitude marked from 60°N to 70°N and longitude from 100°W to 140°W. Major cities like Whitehorse, Yellowknife, and Inuvik are labeled. The map also shows the Arctic Ocean to the north and the Gulf of Boothia to the east.

NOTE:
Michigan Territory in 1830 continued to govern the northern slice of what is now Ohio. In the early 1830s Ohio's desire for a canal using the Maumee River and the port of Toledo led to the boundary dispute called the "Toledo War." Michigan surrendered the Toledo Strip in 1836 as the price of statehood.

HUSBAND - Philip Thompson (Continued)

Also Philip E. 32 OH, Mary 28 OH, Louisa 9, Milton E. 7, Lewis 5, Allis 2f OH.

1860 Ross Co. Union Twp., only Philip E. age 42 and James H. Thompson age 38.

SOURCES:

Checked Ross Co. OH cemetery books and did not locate Philip Thompson but believe his wife was listed in the Thompson cemetery where Philip's father was buried.

Checked same books as did for Oswald Thompson for Philip but didn't locate anyone thought was this person, except for the early marriage record. Had believed the Thompsons were from Maryland and Berkeley Co. borders Maryland so could be.

WIFE - Luvicy Hull?

Find A Grave internet site listed Luvicy Thompson, birth and death dates, wife of Philip age 65y 11m11d

One Philip Thompson married Louisa Hull 29 Oct 1799 Berkeley Co. VA this I believe is this person.

BIRTH: Thompson cemetery records from Ross Co. OH. List her death as 3 Jul 1846 age 65y 11mo 11da, which would calculate to 22 Jul 1780. One source had stated her birth date as 23 Jul 1781.

MARRIAGE: maybe Berkeley Co. VA. to Luvicy Hull 29 Oct 1799

DEATH: Thompson cemetery records from Ross Co. Oh has her listed in Thompson cemetery in Union Twp. No listing for Philip.

Sarah had a sister Lucinda Chasteen? could this be same person?, prob, is.)

CHILD 5 - Philip Edward Thompson

BIRTH: 1850 census listed birth as 1818 as does 1860. But the cemetery record has birth date as 31 Jan 1823 calculated from death date of 17 Nov 1878 age 55-9-17. So which is right??? He was listed in will of his father 1848 thur 1858 when final account was made.

MARRIAGE: There was one mg record for Philip E. Thompson to Mary Thompson 31 Oct 1839 Ross Co. OH that could be this person. They are both buried in the Springbank cemetery in Union Twp. Ross Co. OH.

DEATH: We have two death dates, 11 Jul 1873 and stone says 17 Nov 1878 age 55-9-17.

There were several Philip Thompsons in Ross Co. OH during the census years so not sure which is ours as some the same ages so hard to tell. It appears his wife died before 1850 but may be living in 1840.

Paxton Twp: Philip m-to 5-1 5/10-1 30/40-1 and f-to 5-1 5/10-1 30/40-1. (Philip E. would be age 22 and was just md in 1839 so 2nd one would be this person).

1850 Ross Co. OH Union Twp OH: Philip E. Thompson 32 OH, Mary 28 OH, Louisa 9, Milton E. 7, Lewis 5, Allis 2f OH.

HUSBAND - Philip E. THOMPSON-3301
Sources for Philip E:

BIRTH: 1850 census listed birth as 1818 as does 1860. But the cemetery record has birth date as 31 Jan 1823 calculated from death date of 17 Nov 1878 age 55-9-17. So which is right??? He was listed in will of his father 1848 thur 1858 when final account was made.

MARRIAGE: There was one mg record for Philip E. Thompson to Mary Thompson 31 Oct 1839 Ross Co. OH that could be this person. They are both buried in the Springbank cemetery in Union Twp. Ross Co. OH.

DEATH: We have two death dates, 11 Jul 1873 and stone says 17 Nov 1878 age 55-9-17.

There were several Philip Thompsons in Ross Co. OH during the census years so not sure which is ours as some the same ages so hard to tell. It appears his wife died before 1850 but may be living in 1840.

1820 one Philip in Ross Co. Union Twp. OH: m-to 10-1 16/26-2 26/45-1 and f-to 10-2 10/16-2 16/26-1. (Philip E. would be abt 2)

1830 two Philips, one in Union and one in Paint Twp: Union Twp: m-5/10-1 10/15-1 15/20-1 50/60-1 and f-10/150-1 15/20-1 40/50-1 (believe ours). Paint twp: m-30/40-1 and f- 20/30-1. (Philip E. would be abt 12)

1840 three Philips but one SR which believe is ours: Union Twp: Philip m-10/15-1 15/20-1 60/70-1 and f-20/30-1 60/70-1. Union Twp: Philip m-20/30-1 and f-15/20-1. Paxton Twp: Philip m-to 5-1 5/10-1 30/40-1 and f-to 5-1 5/10-1 30/40-1. (Philip E. would be age 22 and was just md in 1839 so 2nd one would be this person).

1850 Ross Co. OH Union Twp OH: Philip E. Thompson 32 OH, Mary 28 OH, Louisa 9, Milton E. 7, Lewis 5, Allis 2f OH.

1860 Ross Co. Union Twp.,OH: Philip E. age 42, Mary 37 OH, Louisa 19, Milton 16, Lewis 13, Alice 11, John 8, Samuel 4, Byre 1f.

1870 not checked Ross Co. OH to date.

WIFE - Mary THOMPSON-3303
Sources for Mary:

BIRTH: 1850 census listed birth as 1818 and 1860 as 1819. Cemetery records list death as 12 Mar 1883 age 60 yrs 1 mo which calculates to birth date of 12 Feb 1825.

MARRIAGE: There was one mg record for Philip E. Thompson to Mary Thompson 31 Oct 1839 Ross Co. OH that could be this person. Probably is.

DEATH: Located death date from Springbank cemetery records d. 12 Mar 1883 age

 If the family still

According to the 1880 census, Oswell Thompson, Sr. of Ross Co., OH, in his late
 years, he resided in the town of Ross, Ohio. Also, some family records in Ross Co., OH,
 show that he was born in the town of Ross, Ohio, and that he was the son of
 William Thompson and Mary Thompson.

IGNATIUS SKILES, deceased, whose portrait appears in this volume, was born in Ohio, August 10, 1827, and was a son of Harmon and Mary (Thompson) Skiles, the former of whom was born in

Pennsylvania and the latter in Ohio. The elder Skiles followed farming and died in Ohio. Our subject left home when a small boy, and came to Indiana, where he lived with a man named Kirkpatrick, until he was twenty-one years old, receiving as compensation, when he became of age, a good suit of clothes, a pony, and forty dollars in money. With this he came to Cass County, Ills., in 1848, and commenced the battle of life on his own account. He was a man of but little education; leaving home

early in life, as he did, deprived him of opportunities to attend school, and he was compelled to make his way with what little knowledge he could pick up at odd times. Upon his arrival in Cass County he began farming and stock-dealing, a business he followed successfully, becoming one of the largest stock-dealers in the county, and amassing considerable wealth. At the time of his death he was the largest stockholder in the banking house of Petefish, Skiles & Co., a bank which is still in existence. He married Mary J. Thompson, in 1852, a daughter of Oswell and Elizabeth (Henderson) Thompson, natives of Ohio, but who came to Cass County in an early day; he was a farmer, and died in 1864,

Mr. Skiles died in 1873, and his widow afterward married Mr. Joseph F. Black, whose sketch appears in another page of this work.

OSWELL SKILES, one of the substantial citizens of Cass County and most enterprising business men of Virginia; was born Oct. 18, 1828. He is son of Harmon and Polly (Thompson) Skiles, who was twice married. Polly was his first wife, and was mother of Ignatius, and died leaving Oswell an infant. They were natives of the State of Pennsylvania, Ross Co., where there children were both born; Mr. Skiles was a farmer, in humble circumstances. Our subject, incident to the death of his mother, was adopted by one George Smith, a farmer of Ross County, and he soon removed to Washington County. Here Oswell grew up, and was the youngest in a family of ten children. He worked three years in a harness shop, learned the trade, and in the fall of 1851 came to Cass County and worked for an uncle, Oswell Thompson, near Arenzville, about one year. In 1853, he made an overland trip to California. There he worked for a farmer one year in the Sacramento Valley, and up to 1861 followed mining. He saved about one thousand dollars, returned home, and entered stock dealing with his brother Ignatius, doing a shipping business. This he followed with marked success until the year 1870, and since that time he has been engaged in farming and banking. Mr. Skiles married Miss Anna Conover, daughter of Levi Conover (deceased). She died March 31, 1877, leaving one son, Lee Harmon. In 1879 he was married to Miss Eliza Epler, daughter of George Epler, of Sangamon County. Mr. Skiles is a member of the well known banking house of Petefish, Skiles and Co., Virginia; Skiles, Rearick & Co., of Ashland, and also of Petefish, Skiles, Mertz & Co., of Chandlerville; is a member of the Building Association of Virginia, the A.O.U.W., I.O.O.F, and he and Mrs. Skiles are members of the Presbyterian Church.

Which was located from cemetery records in Riverview Addition Lot 6 Block 4. Have picture of family ploy. Obituary located from Muscatine library and was very lengthy from Old Settlers Register, page 475. Stated he was buried that afternoon, which must have been dated 19 Apr 1901, which was when the cemetery showed he was buried. However there wasn't a card in the Death files in the Muscatine court house in the Clerks office for his death. They were living in Muscatine, IA when he died but don't know where.

His Estate record listed in Muscatine, IA opened 22 Apr 1901 and closed 10 Nov 1903 Fee book B page 131. Roll 30 Dlip 76.0 (other #'s 2573 and 4/265).

He was survived by his widow, sons Frank & Fred and his aged parents, Mr & Mrs L. Hoopes (Lindley). The services was held at the home with Rev. W.L. Clapp of the Musserville M.E. church, offered prayer. The procession left the home and went to the Musserville M.E. church, where Rev. Clapp had a short service and several others made remarks of William.

Was stated he was a most christian man, thought much of by many. Was the pioneer gardner and establisher of the wholesale fruit business in Muscatine. His sons took over his business after his death.

Mr Hoopes was instrumental in getting the local branch of the Heinz pickle works secured in Muscatine. He was also one of the organizers of the Island Canning Company and was chosen as its first president. He was one of the incorporators of the Muscatine street railway and a director and member of the executive committee until he sold his interes. He was instrumental in securing other improvements in the city, and was a general benefactor. The brilliant success of his idea of wholesale market gardening led others into that line of business that was made the once despised flats of Muscatine Island to blossom as the rose and spread its fame far and wide throughout the country.

"Memories of Muscatine" pub 1989 located at Musser Public Library, Muscatine, IA copied pg 7 & 11. Pg 7 Early newspaper article dated 18 May 1881. Appears William W. Hoopes had been in business with several other people during his lifetime. One article under the Muscatine Island Canning Factory said W.H. Hoopes President was one of the oldest canning business under carfull management of W.H. Hoopes. Muscatine Island Interest, among the raisers and shippers from the Island Hoopes & Holcomb stand before all others. Their great farms at the head of the Island (partially within the city limits) are but a vast garden. A Journal reporter enjoyed a ramble through the garden yesterday with Mr Hoopes. They took a horse and buggy ride thru and was able to see a portion of the 257 acres, which is all garden except 10 acres. There were 40 acres peas, 20 acres of Minnesoto sweet corn, 5 acres of early radished, large amount of early cabbages, fair proportion of cucumbers, beats & turnips, 6 or 7 acres of asparagus and 155 acres of sweet potatoes and between some of this are the other things growing like tomatos and melons. While they hire many workers they use 16 horses. They have large greenhouses and hotbeds as well. Besides shipping their own produce they ship for others as well.

Pg 11 dated Dec 31, 1884 under Annual Review was talking about all the building that was going on in Muscatine and mentioned the elegant costly dwellings as William H. Hoopes's and others--

In this field on the J.E. Hoopes farm, eggplants proved as lucrative as the melons grown in nearby fields. Mrs. Jennie Harvey
Dies in Nebraska

Word has been received here of the sudden death of Mrs. Jennie Harvey, at her home in Howard, Neb. Mrs. Harvey was well known in Iowa and had for a time made her home here and at La Crosse. She was an aunt to many people and much loved.

Surviving are a sister, Mrs. E. M. Lacey, near Ottumwa, and another sister, Mrs. L. A. Lacey, near Ottumwa. Also a brother, Mr. L. A. Lacey, near Ottumwa. Mrs. Harvey was born in Iowa and was a member of the Methodist church.

FORMER MUSCATINE MAN DIES AT SEWARD, NEB., AT THE AGE OF 55 YEARS.

J. L. Harvey Was Born in Muscatine—His Marriage to Miss Jennie Thompson Occurred at Letts, Iowa, in May, 1872—Was Mayor of Seward, Neb.

Word comes from Seward, Neb., of the death of a former Muscatine man, John L. Harvey, who died suddenly from heart trouble. Mr. Harvey was mayor of Seward, Neb., and was 55 years of age.

Mr. Harvey was born in Muscatine, Feb. 23, 1840, and was therefore but a few days past 55 years of age. In June, 1868, he removed to Seward, but before going there he was engaged in the mercantile business at Letts, Iowa, and also at Marine, Iowa, serving as postmaster to the latter town for a number of years while a resident there. At Letts, in May, 1872, he was married to Miss Jennie Thompson, and to them were born seven children, two sons and five daughters, all in childhood, with four sons, George W. of Seward, George of Colorado and Glen who is attending school at Oweo, together with their mother, survive him. The deceased is also survived by his good parents, Mr. and Mrs. A. C. Harvey, who on last Thursday celebrated their silver wedding anniversary, and also brothers and sisters as follows: W. C. Harvey, of Marine, Iowa; W. S. Harvey, of Lincoln; C. F. Harvey, of Des Moines; John Harvey, of Des Moines; E. E. Harvey, of Council Bluffs, Iowa; Mrs. S. B. Adams, of Seward; and Mrs. E. M. Taylor, of Mitchell, Neb.

Since becoming a resident of Seward Mr. Harvey had been a traveling salesman for a shoeless rubber goods house at Oshkosh. He was a good citizen and popular among the people. Each year he was elected mayor of Seward and a short time before his death he forwarded to the postal department a petition signed by more than six hundred citizens of Seward and surrounding territory, endorsing him as a candidate for the appointment of postmaster.

Funeral services were held at the home, conducted by Rev. Chas. of the Congregational church, in Letts, even though necessary to wait about until this date in order for Howard Harvey to arrive from New Jersey.

Great Suffering Done—But Fate Quietly Away.

We are called upon to chronicle the death of another of our oldest and most respected citizens, which occurred at his residence in this place, Monday morning, January 4, 1892, at 8:30 o'clock. William Thompson was born in Ross county, Ohio, May 23, 1821, and was, at the time of his death, nearly 71 years of age.

When five years old he removed with his parents to what is now Cass county, Illinois. At that time that part of the state was an unbroken wilderness. School houses were an unknown institution, consequently, Mr. Thompson grew to manhood without any educational advantages whatever.

On September 2, 1841, he was united in marriage to Miss Rebecca H. Henning, who still survives to him, and after more than 50 years of wedded life.

In the fall of 1841, he came to Iowa and purchased what was known as the Labarger place in Grandview township. He remained at once a permanent settler, and in 1845, after a year and a half, he moved to his new home in mid-winter.

He remained at Burlington in January and the latter of May, 1846, February 1, 1848, reaching their place of destination the next day. This he made his home until he removed to Columbus, Iowa, in 1858. He resided here until the death of his wife. Ten children were the result of this union, five of whom

survive him. Of these, Mrs. M. F. Crum, of Chicago, Illinois, the eldest of the family, were present at the funeral. The other surviving children are the sons, James H. and John L., near Letts; D. O., Chicago, and A. S. of this place. The daughters present were Mrs. L. P. Hoopes, near Muscatine; Mrs. J. J. Harvey, Seward, Nebraska; Mrs. Z. P. Webber, Indian Territory; and Mrs. E. L. Lacey, near Junction.

Funeral services were held at the late residence. The funeral discourse was preached by the Rev. W. C. Chew, in the M. E. church at Letts. The text had been selected by Mr. Thompson: "I will be found in the day of wrath."

When a few years ago he was asked, "When shall I go to the war, when I shall not return?" The remains were laid to rest in the cemetery at Letts.

The pall bearers at this place were Mr. M. C. Cotton, G. D. Harrison, J. K. Baskin, G. W. Breneman, T. R. Lacy and E. L. Curtis.

Those at Letts were John and Frank Wilson, E. B. Shellabarger, Geo. Chas. Edwin Williams and H. M. Smith.

Mr. Thompson had more than 50 years respect of the entire community in which he had resided for more than forty-five years, and we all feel that in his death we have lost one of our very best citizens. A life has gone out worthy the study and imitation of all.

During his last illness, Mr. Thompson many times expressed himself as ready and willing to go to his only regret being to leave his aged wife.

Mrs. Jennie Harvey Dies in Nebraska

Word has been received here of the sudden death of Mrs. Jennie Harvey, at her home in Seward, Neb., Sunday. Mrs. Harvey was well known in Muscatine and had for a time made her home here and at Letts. She was an aunt of Fred Hoopes, 600 Maple Grove road.

Surviving are a sister, Mrs. E. R. Lacey, Iowa City; a brother, John Thompson, Letts; and another brother, Scott Thompson, California. The late Mr. W. H. Hoopes of Muscatine was a brother-in-law.

Funeral arrangements have not been learned here but are expected to be at Seward.

ruined state. H. Hoopes, in Soudale, Iowa, has just arrived in the city, called here by the death of her mother, the late Phillip Thompson, at the age of seventy years, six months and fifteen days. Deceased had been ill for some time, but an accident the result of which was the breaking of her hip bone tendered to shorten her earthly existence. She was a devoted Christian and a member of the Methodist church. She connected herself with the church at the age of thirteen years and died in the triumph of a Christian's faith.

She leaves to mourn her loss, five daughters and four sons—Mrs. J. M. Crum, of Chaplin, Ill.; Mrs. W. H. Hoopes, of Muscatine; Mrs. John L. Harvey of Seward, Neb.; Mrs. J. T. Webber, of Chicago; Mrs. E. R. Lacey, of Columbus Junction; James and Thomas Thompson, of Letts; D. O. Thompson of Chicago; and A. S. Thompson, of Columbus Junction. Mother Thompson was kind and loving to all with whom she became acquainted, and will be missed by all who knew her.

After a short service this morning, the funeral cortege left the home of W. H. Hoopes at 11 o'clock a. m. for Letts, where the last sad rites were held in the Letts church, conducted by Rev. Pugh, and interment was made in the family lot in the Letts cemetery.

Complimentary.

The following refers to a gentleman who has made his home in Muscatine for the past four years and whose new duties require his change of residence to Davenport but who will frequently be a visitor here. It is from the Western Economist, of Des Moines:

Mr. E. H. Hall, recently elected vice-president of the Chicago Life Association, who is one of the youngest, is known as one of the brightest and most successful life insurance men in Eastern Iowa. He was born and educated in England, coming to this country at the age of 22. His chosen vocation was that of a decorative artist and his early life was spent among the frescoes in the castles and cathedrals of the old country. He pursued the same calling in this country until his condition of health demanded a change of occupation to something less confining and life insurance claimed his attention. He is impressed that the nation

Joseph Bridgman, Agent of the Mutual Life Insurance Company of New York, Muscatine, Iowa, celebrated

Under the above caption, the Chicago Tribune of yesterday, speaks of our fellow townsman in the insurance department, which will be of interest to his fellow citizens. It says:

Not many underwriters can look back over fifty years of unbroken service, and few are tendered loving cups by companies for which they have labored for half a century. It is no wonder then that Muscatine, Iowa, is proud of Joseph Bridgman, the oldest writer of insurance in the northwest. Not only has he rounded out the half century of labor in the insurance field, but those for whom he has worked have heaped upon him the most kindly remembrances. Muscatine is proud of her most venerable citizen, and on Friday, the fiftieth anniversary of the day he wrote the first insurance policy, the city celebrated. And on the same day Mr. Bridgman received a beautiful loving cup and a most kindly letter from the Mutual Life Insurance Company. Special Agent W. A. Hand brought it, with the best wishes of the company and a tribute to the venerable underwriter's zeal and devotion during the years of his work. Mr. Hand had instructions from headquarters to join with the people of Muscatine in trying to make the day a pleasant one for Mr. Bridgman, and reports from the Iowa city indicate that he succeeded admirably in this. THOMPSON, Oswald Sr. Who departed this life September 19th AD 1838 aged 55 years.

Unveil thy bosom, faithful tomb. Take this new treasure to thy trust. And give these sacred

relics room. To seek a slumber in the dust. "His grave is marked by an old style sandstone tombstone. The engraver was evidently not very experienced. The word "bosom" is incorrectly spelled and the word "trust" is badly botched up. The first name is clearly spelled "Oseel" on the tombstone while all the references found refer to the man as Oswell Thompson. Pages 15 & 16 of "Morgan County Family History, 1976" shows that "Basel Ater, at the age of sixteen drove four "chunky" horses . . . on a freight wagon for Oswell Thompson, a wagon train master, to Union neighborhood, south side of Cass County, arriving in the winter of 1818-19. Thompson's train was Oregon bound but the desertion of drivers, and sickness, caused him and his followers to build against the winter here. The others journeyed on. Those who settled here liked the plentiful wood, water and game and the promise of a grist mill. .."

THOMPSON, Oswald (The compiler (Robert W. Dalton) believes that Oswald Thompson never was buried in Greenwood Cemetery, but the information given here could be of assistance to any researcher interested in the Thompson family. The compiler believes that Oswald Thompson was probably buried in Henderson-McFadden Cemetery, a tiny and neglected burial ground about a mile northeast of Arcadia.

The following news item appeared in the Jacksonville Daily Journal of Saturday, Oct. 20, 1894: CITY AND COUNTY. The remains of Oswald Thompson, and two children, and those of George Henderson's father, mother, a brother and sister, were removed from near Arcadia, to Walnut Ridge cemetery at Virginia a few days ago.")

THOMPSON, Catharine Died 18 Nov 1859 88 Yr Wife of Oswell Thompson
(Catharine's tombstone has not fared as well as has that of her husband. Catharine's tombstone lies broken off and flat, immediately south of the upright tombstone that marks her husband's grave. Unlike her husband's tombstone, Catharine's marker is badly weathered.)

mental powers, he would have made much more of his opportunities than was possible in the state of invalidism in which he was unfortunately placed. His estimable wife, who is a member of the Presbyterian Church, survives him, and is still a resident of Columbus Junction, where she is most highly respected and esteemed. She enjoys the distinction of having been one of the first two ladies elected to membership in the Board of Education in the independent district of Columbus Junction. Mrs. W. H. Gray, now deceased, and Mrs. Barnes were elected members of the School Board March 14, 1881, and entered upon the duties of the office on the 22d of the same month, doing efficient service. It was during their term of office that the present elegant school-house was built. Mrs. Gray died April 4, 1882, and was succeeded by Mrs. L. G. Murdock, who has since served two terms as County Superintendent of Schools of Louisa County. These ladies were zealous in their efforts to secure the very best educational advantages for the children of their district, and were eminently successful.

PHILIP THOMSON, senior partner of the firm of Philip Thomson & Co., dealers in shelf and heavy hardware, stoves, tinware and farm machinery, at Columbus Junction, was born in Ross County, Ohio, May 20, 1821, and is a son of Oswald and Catherine Thomson. His father was a native of Ireland, and emigrated to America prior to the War of the Revolution, in which he took an active part. He was married in this country, and settled in Ross County, Ohio, where he was one of its early pioneers. His wife came to America when a young lady, and it is said that when she made the acquaintance of her future husband she could not speak English, nor did he know the German language, consequently their courtship must have been carried on under difficulties. In 1827, when Philip was but six years of age, they emigrated from Ohio to what was then Morgan County, Ill., the section in which they settled, however, afterward being incorporated into Cass

County. While a resident of Ohio Mr. Thomson had accumulated considerable property, but through some misfortune lost nearly everything, and when he landed in Illinois had but a half dollar in money. Provisions were dear, and had to be brought from a long distance; the country was so sparsely settled that there was but one neighbor in a radius of five miles. With his fifty cents he went to the nearest mill, which was about twenty miles away, to buy flour, leaving his family camped in their wagon, and the elder sons at work cutting and preparing logs with which to build a house. Being a practical miller Mr. Thomson obtained work at the mill, having to work at nights in order to accommodate the rush of customers, many of whom had come from long distances. The miller very kindly advanced him supplies for the immediate wants of the family, and allowed him time to build a shanty, and though everything was done in the usual backwoods style a comfortable home was secured.

Under such circumstances were the childhood and youth of our subject passed, without advantages of either schools or books. He was reared to habits of industry and frugality, and chose farming for his occupation. On the 2d of September, 1841, he was united in marriage, in Cass County, Ill., with Miss Rebecca Henderson, who was born Oct. 18, 1825, and is a daughter of David and Abigail Henderson, the father a native of New Jersey, and the mother of Ohio. In August, 1847, Mr. Thomson came to Louisa County, Iowa, purchasing what was known as the old Shellabarger place of 340 acres, situated in the township of Grand View, on which there was a small log cabin, and fifty acres of the land was broken. He returned to Illinois, moved his family to their new home the following winter, crossing the Iowa River at Wapello on the 1st of February, 1848, and reaching the farm the following day. Mr. Thomson worked hard, assisted by his wife and children, and rapidly improved his place and increased his worldly possessions. A substantial frame house took the place of the old log cabin, and the acreage was increased to 660,600 of which were eventually under cultivation. During the early days the nearest mill was at Mt. Pleasant, which was forty miles distant, but all the trials

and privations of those pioneer days were cheerfully endured, and the labor soon brought its reward.

Mr. and Mrs. Thomson were blessed with a large family, numbering eleven children, six sons and five daughters, of whom four sons and all the daughters reached maturity: Frances, the eldest, is the wife of John Crum, a resident of Augusta, Butler Co., Kan.; James H., who married Amanda Colbert, is engaged in farming in Concord Township; Josephine wedded William Hook, and resides in Muscatine, Iowa; John T. wedded Mary Estell, and is a resident farmer of Grand View Township; Jane is the wife of John Harvey, a resident of Seward, Neb.; David Oswald married Ida Shellabarger, and makes his home in Chicago; Zelig is the wife of Joseph Webber, a banker of Keokuk, Iowa; Etta E. is the wife of E. R. Lacey, assistant cashier of the Louisa County National Bank, of Columbus Junction; Scott was married to Ida Lamberson, and is in company with his father in the hardware business, at Columbus Junction; Albert M. and a son unnamed died in infancy.

On the 15th of May, 1876, Mr. Thomson removed to Columbus Junction, and engaged in buying and shipping stock, but began the business at a dull season, and in three years lost over \$10,000. On the 15th of July, 1879, he assisted his son, D. O., to start in the hardware and farm machinery business at Columbus Junction, and in September, 1884, bought him out, the business having since been conducted by himself and his son Scott, under the firm name of Philip Thomson & Co. They carry an average stock of \$4,000 in value, and do an extensive business in farm machinery, their specialty being the Minneapolis Harvesters and Binders, of which they have sold over 400 in this county. They also sell the Champion and Excelsior Mowers, and carry a full line of machinery supplies, of which their stock will average \$1,000 in value. Theirs is the only establishment in the city that keeps a full line of repairs in stock.

Mr. Thomson has been a lifelong Democrat, and has never wavered in his devotion to the principles of the party. He and his wife were reared under the auspices of the United Brethren Church, and maintained membership in that society while living

where they had a church, but now they attend the Presbyterian Church. For a period including over forty years Mr. Thomson has been a resident of Louisa County, where he is widely and favorably known as a good citizen and an honorable and upright gentleman. Both he and his wife are highly esteemed in their community as being among its most worthy citizens.

REV. DAVID THOMPSON CAMPBELL, one of the first pastors of the Presbyterian Church, of Morning Sun, Iowa, was born near Sharon, Mercer Co., Pa., on the 6th of December, 1829, and is a son of James and Nancy (Thompson) Campbell. The father was born May 22, 1800, in Washington County, Pa., of Scotch parentage, while the mother was born in Mercer County, May 2, 1808, of Irish origin. The father was a farmer, and they reared a family of five children: Edwin M., an extensive farmer of Greenville, Mercer Co., Pa.; David Thompson, of this sketch; Margaret J., wife of J. M. Pettit, an insurance agent of Greenville, Pa.; William B., a farmer and stock-raiser, living in Mercer County; Adaline, wife of Elijah Satterfield, of Mercer County, died April 21, 1863. Mrs. Campbell was a lifelong member of the Presbyterian Church. Though not a member himself, Mr. Campbell gave liberally to the support of the church to which his wife belonged. In his political views he was an old-line Democrat, and held the office of Justice of the Peace, being known throughout the community in which he resided as Esquire Campbell. Kind, considerate, and a friend to all, he was one of the prominent men of his neighborhood, where he was highly esteemed by a large circle of acquaintances.

The subject of this sketch grew to manhood in his native county, and his primary education was there received, though supplemented by a course in the Poland Academy, of Poland, Ohio, where he took a preparatory course for college. Then entering Jefferson College, Cannonsburg, Pa., in 1853, he pursued his studies for three years, being graduated

DEATH OF ANOTHER PIONEER.

Mrs. Rebecca A. Thompson, an old Resident of Louisa County, Passes Away at Muscatine.

The death of Mrs. Thompson removes another pioneer of Louisa county from earth. She had been a resident of this vicinity for many years, and her demise casts a shadow over many homes.

We clip the following from the Muscatine Journal:

"Sunday morning at 4:30 o'clock at the home of her daughter, Mrs. W. H. Hoopes, in South Muscatine, occurred the death of Rebecca A. Thompson, relict of the late Phillip Thompson, at the age of seventy years, six months and fifteen days. Deceased had been ill for some time, but an accident the result of which was the breaking of her hip bone tended to shorten her earthly existence. She was a devoted Christian and a member of the Methodist church. She connected herself with the church at the age of thirteen years and died in the triumph of a Christian's faith.

She leaves to mourn her loss, five daughters and four sons—Mrs. J. M. Crum, of Chaplin, Ill.; Mrs. W. H. Hoopes, of Muscatine; Mrs. John L. Harvey, of Seward, Neb.; Mrs. J. T. Webber, of Chicago; Mrs. E. R. Lacey, of Columbus Junction; James and Thomas Thompson, of Letts; D. O. Thompson, of Chicago; and A. S. Thompson, of Columbus Junction. Mother Thompson was kind and loving to all with whom she became acquainted, and will be missed by all who knew her.

After a short service Monday morning, the funeral cortege left the home of W. H. Hoopes at 11 o'clock a. m. for Letts, where the last sad rites were held in the Letts church, conducted by Rev. Pugh, and interment was made in the family lot in the Letts cemetery.

WAPELLO BURNED.

Wednesday morning, at five o'clock, a fire broke out in the south side of the burning block was a brick adjoined

At five o'clock Wednesday morning, the citizens of Wapello, were from their morning slumbers by a fire. A crowd of shivering, clad people, rushed to the fire, before the town to find the known "Phoenix Block," east of the burning block was a brick adjoined. The fire was confined to that block, and fire walls on each side aided the work. There were two vacant lots to the south of it, and the one-story frame occupied by D. C. Thomas, the south side fire wall, and with it everything south of the street would have gone. The fire burned slowly, and Mr. Thomas and the hundred ready to assist him, time building in the best shape, the fire, before the town to find the highest point. Barrels of scores of buckets of water were where they would do the most to his store and all sorts of it.

The burning block was a brick adjoined. But as the fire originated on the south side of the rooms, and the wind was favorable, the roofs connecting were the joice cut and as the fire way slowly in that direction were detached and the saved with little trouble. During the high wind prevailing time, it seems almost mar-

Insured for \$1,800. The room was occupied by the org Bros., clothiers. They in \$3,000 stock; insured for \$1,800. Many of their goods were there, they are fully covered by insurance.

The building belonged to J. S. of Wicinita, Kansas, valued \$10,000. Thought not to be insured. The store room was occupied by Herriek as a hardware and cement store. He valued his fixtures \$2,500; insured for \$1,800. The room was occupied by L. A. Reiley as law offices. y was probably the heaviest hom all. EDITOR GAZETTE:—Your local kindly calling attention to my communication conveys an idea greatly at variance with my thoughts. If that was all, I would not care to notice it, for my views may amount to but little, being only the expression of individual. But as a thinker in line with organized labor we beg leave to correct.

There is no conflict either "irrepressible" or repressible going on or contemplated between the good people of our towns and villages and the farmers. Nor can there be. If our laws were so adjusted that the burdens of government rested equally on all and the usurious exactions of capital was checkmated, prosperity would come again to the toiling masses and the kindly offices of well-directed capital would be rewarded in proportion to the returns of labor. So long as the consumer of the product of the factory is forced to close painful economy and the artisan and laborer are placed in the wage allowance there will be a continuous effort to supply out wants at the least possible cost. The people of our towns and villages go to our larger cities to purchase many of their supplies. Some of our alliances and F. M. B. A. lodges send to California for their dried fruits and after paying local freight get the finest quality at very satisfactory prices. Others send to wholesale houses and factories for part of their supplies and implements. All whether from town or country trying to make a scarce, high priced dollar go as far as possible toward supplying their wants. Let the people of our towns organize citizens alliances or progressive clubs and devote a portion of time to the study of economic questions and see if we would not soon see eye to eye and have a better understanding of our greatest needs.

Should you continue to graciously extend the use of your column, I will as soon as my time permits give an alliance man's idea of what are the important questions before the people. By people, I mean the ten million toilers in factory, shop, at the desk and on the farms of this great country of ours. While I reserve all argument for future communications, yet I would here suggest by way of remembrance that you can, properly designate the doctrine of "Christ and Him crucified" a side issue of the Christian religion as term the financial problem a like issue in American politics. This here to the betterment of humanity, to vex only an arrogant plutocracy.

DEATH OF PHILIP THOMPSON.

One of Our Most Respected Citizens and Oldest Settlers Gone—He Passed Quietly Away.

We are called upon to chronicle the death of another of our oldest and most respected citizens, which occurred at his residence in this place, Monday morning, January 4, 1892 at 8:30 o'clock. Philip Thompson was born in Ross county, Ohio, May 20, 1821, and was, at the time of his death, nearly 71 years of age.

When five years old, he removed with his parents to what is now Cass county, Illinois. At that time that part of the state was an unbroken wilderness. School houses were an unknown institution; consequently, Mr. Thompson was brought up without any educational advantages whatever.

On September 2, 1847, he was united in marriage to Miss Rebecca H. Henderson, who still survives to mourn the loss of a husband after more than fifty years companionship.

In the fall of 1847 he came to Iowa and purchased what was known as the Shellbarger place in Grandview township. He returned at once and made preparations to bring his wife and three little ones to their new home. They arrived here in mid winter, crossing the Mississippi at Burlington in January and the Iowa at Wapello, February 1, 1848, reaching their place of destination next day. This he made his home until he removed to Columbus Junction in 1876. He resided here up to the time of his death. Ten children were the result of this union, nine of whom grew to maturity and still live to mourn a father's loss. Of these, all but Mrs. M. F. Crum, of Chapin, Illinois, the eldest of the family, were present at the funeral. The other, sorrowing children are the sons, James H. and John T., near Letts; D. O., Chicago and A. S. of this place. The daughters present were Mrs. L. P. Hoopes, near Muscatine; Mrs. L. J. Harvey, Seward, Nebraska; Mrs. Z. P. Webber, Indianola, Nebraska, and Mrs. Etta E. Lacey, Columbus Junction.

Short services were held at the late residence. The funeral discourse was preached by the Rev. W. C. Chew, in the M. E. church at Letts. The text had been selected by Mr. Thompson three years since and will be found in Job 16:22. "When a few years are come, I shall go the way whence I shall not return." The remains were laid to rest in the cemetery at Letts.

The pall bearers at this place were Dr. W. A. Colton, G. D. Harrison, J. K. Pickett, G. W. Breneman, Jas. R. Letts and S. C. Curtis.

Those at Letts were John Hall, Isaac Mitchell, E. B. Shellbarger, Geo. Gipple, Edwin Williams and H. N. P. Small.

Mr. Thompson had more than the mere respect of the entire community in which he had resided for more than forty-five years, and we all feel that in his death we have lost one of our very best citizens. A life has gone out worthy the study and imitation of all.

During his last illness, Mr. Thompson many times expressed himself as ready and willing to do his only regret

his condition, but this betterment was evidently more fancied than real. Returning from a trip to Albany last week, he utterly collapsed, falling into a comatose state, and it became apparent that the end was near. The end, when it came, was a shock to the entire community. Genial, whole-souled and possessed of unquestioned integrity, he was a splendid type of young manhood, the type that communities can ill afford to lose. He was born in Columbia Junction, Iowa, thirty-three years ago and is survived by his wife and three small children. The funeral was held from the home of his father at eleven o'clock yesterday morning, Rev. Mr. St. Clair of Port Henry officiating. Mt. Delancey Lodge, F. & A. OLDEST PRINTER

D. K. Shaver, who Moved Here From Wellman, Is the Oldest Printer in Iowa

D. K. Shaver, who moved to the city with his son, Z. A. Shaver, from Wellman is one of our most interesting citizens and is without question the oldest printer now living in the state. Mr. Shaver was born in Somerset county, Penna. in 1822, and began his newspaper career at the Somerset Herald in 1830.

In 1840 Mr. Shaver, what at time was an ardent whig went to Shippensburg, Pa., and for three months during the campaign published a paper he called the Hero of Tippecanoe. He also assisted Joseph Fritz at this time in the publication of a whig paper at Chambersburg, in the same state.

In 1844 Mr. Shaver came to Iowa and at Iowa City began the publication of the Iowa City Standard. One of his fields at this time, when everything was set by hand, was the printing of the Supreme Court reports for Judge Greene in 1847. Land was plentiful then and not very valuable either and Judge Greene gave Mr. Shaver a land warrant for 160 acres for this work. Some eight years ago he sold this land for \$60 per acre. The year after, in 1854, Mr. Shaver was instrumental in persuading a colony of Amish people to come to this territory and they formed the nucleus of the present Amish settlement.

In 1859 he went south and at Jackson, Mississippi, published the American Union, an organ of the Know Nothing party. This organization was secret and their pass word to the question, "What Time is it?" "Time to work." Coming back to Iowa City Mr. Shaver took charge again of the official paper of the Whigs and a delegation was sent east in 1860 to secure the nomination of a whig. However they were taken to town at Pittsburgh by republicans and later joined the convention in the nomination of John C. Fremont. This was the end of the whig organization and Mr. Shaver's closing editorial is one of the classics of whig literature. It was at Iowa City, that Mr. Shaver assembled and printed a dictionary of the English and Mianquis Indian languages which is now one of the "historic literary productions of the state."

Mr. Shaver has also been identified with many newspaper ventures in the state and assisted in starting the Iowa Star at Des Moines and also the Progressive Era at Cedar Rapids. Though past 88 Mr. Shaver is as spry as the average man of thirty and can still print the type like a professional.

National Tuberculosis Sunday, April 24th. To Be Observed, Clergy.

Joining The Fight.

Sunday, April 24th, will be designated this year as National Tuberculosis Sunday. All over the nation clergy men are going to discuss various phases of the dread white plague and it is a fact that no more potent influence could be brought to bear on the question than the pulpit of the country.

This Sunday will also be observed throughout the state of Iowa. Many ministers have already signified a desire to cooperate in this respect and the Department on Tuberculosis will be glad to send literature, and give such assistance as may be within its power.

The discussion from the pulpit can be made more powerful than perhaps from any other platform for the reason that there is very much in the modern church which is related to the social life of the people.

Moreover, the appalling loss of more than 3000 of Iowa's best men and women last year places the responsibility for this preventable disease more clearly than ever before upon those who are identified in the social welfare of the people.

Obituary.

James H. Thompson was born in Cass county, March 25, 1844. He was next to the oldest of nine children, and the first one of the children to die this life. In August 1847, his parents moved to Iowa, locating on a farm in Concord township. Mr. Thompson lived here with his parents until March 6, 1866 when he was united in marriage to Miss Amanda Colbert. The young couple then moved to the farm one and three-quarter miles south west of Letta. Here they lived until five years ago they moved to Letta. To them were born two sons, Walter P. and Henry R. Henry died May 27, 1899.

Miss Thompson was converted in middle life and united with the Church of God, of which church he remained a member until his decease. He lived a consistent Christian life and the last Sabbath of his life he was in attendance at church. He was a good husband, respected as a parent, kind and considered as a neighbor.

He was an honored member of the I. O. O. F., the Columbus Encampment and the M. E. A.

Last Saturday morning he walked to the barber shop to get shaved. He complained while there of a pain in the region of his heart. From the barber shop he went to Dr. Elmer's office and while in the chair he passed away.

He leaves a wife, a son, three grand-children, three brothers and five sisters, all of whom are well and neighbors to mourn his loss.

Funeral services occurred Tuesday, at the M. E. church conducted by Rev. Fry, with interment in Letta cemetery.

Mrs. Flyer Dead.

Mrs. Margaret Flyer died at her home at Columbus City at 1:30 o'clock Tuesday evening from the effects of a fall sustained some weeks ago which resulted in a broken hip bone.

Margaret Marion was born in Adams county, Ohio, July 28, 1827. She was married to Isiah Flyer in April 1842 and came to Columbus City where she has since resided. She is survived by four children, Elizabeth, J. W. Flyer, Clementine and Mississippi.

Punctal services will be held at the U. B. church at Columbus City Friday at 2 o'clock conducted by Rev. Olive Stark. Interment in Tennessee cemetery.

Seven New Automobiles.

That Columbus Junction is rapidly becoming thoroughly up-to-date is evidenced by the number of new autos that are coming here this spring. W. A. Knott landed three big Carter Cars Monday on for Dr. F. E. Larson and one for Henry Carter. John Hull received four new Overland cars also the first of the week. One for L. Votroubek, one for R. H. Mallin and one for John Arluth. The roads and the weather have never been so ideal in this part of Iowa and a number of new records will doubtless be established by our enthusiastic automobilists.

MEETING IS GOOD

Commercial Association Interest Increases. Good Roads Committee Is Appointed.

The Columbus Junction Commercial Association met at the City Hall last Friday evening and a number of important questions were discussed. The attendance at these meetings has been encouraging and there is no question but that an immense amount of good will result from the maintenance of a live commercial association.

A good roads committee was appointed and an effort will be made to keep the roads leading into this city in first-class shape. J. S. Blair was appointed chairman of this committee with Dr. F. A. Hubbard and John Hull.

The matter of damming the Iowa was also discussed and the interest that is manifested in this project by the two parties certainly make it plain that we have here in the possibility of cheap power one of the most favorable locations in the central west. Power is going to be more and more in demand and it requires no gift of prophecy to see that the use of coal for power will become an impossibility. Water then will be in demand and a location such as we have here will command the attention of every one interested in power of any kind. With out any intention to blow our own horn, we believe that this location is not a more favorable location for a big industrial center in the state than right here at Columbus Junction and as a distributing point we challenge any location in the west. A radius of 25 miles, using this as the center, includes Chicago, Milwaukee, Minneapolis, St. Paul, Des Moines, Omaha, Kansas City, St. Louis and with our twenty passenger trains daily from this city, favorable less than an hour's distance, most any hour of the day or night. A radius of 60 miles more would include the capitals of eight of the most prosperous states in the Union and give us more than 15,000,000 of the wealthiest consumers in the world.

The question of improving the appearance of the town around the depot was also debated. A careful estimate of the people who pass through our city places the number at 2,000 daily and a big percentage of these transfer here and wait from 10 minutes to 15 hours. The environment at the depot should be such that their impression of Columbus Junction would be favorable and that the first impression would be carried to every part of the globe for the depot visitor can easily meet people from every climate.

Candidates Nominated.

Interest in municipal affairs has centered this week in the nomination of men to fill the respective offices to be voted for March 28th.

The republican caucus Tuesday evening nominated the following: O. M. Fulton, For Aldermen, J. W. McKee, J. H. Johnston, J. J. Stapp, C. J. Belenbach and Dr. F. L. Darrow. As senator, Don Darrow. Treasurer, E. R. Lacey.

Wednesday evening the democrats met per call and nominated candidates as follows: For Mayor, D. S. Johnston, For Aldermen, J. O. Bell, R. E. Lemay, J. B. Johnson, J. H. Johnston and O. M. Fulton. For Assessor, J. S. Blair, For Treasurer, E. R. Lacey.

The School Election.

The school election Monday brought out a large vote that has usually been cast here and considerable interest was manifested in the selection of the school district. O. S. Owen was elected director for one year, and Robert Owen was elected treasurer for one year.

The vote for members of the board and treasurer was as follows: Directors: O. M. Caylin 169, R. J. Dine 162, R. J. Keane 77.

Treasurer: Robert Owen 169.

A message came Sunday from Letta

James H. Thompson was born in Cass county, Illinois, Mar. 25, 1844. He was the next to the oldest of nine children, and the first one of the children to depart this life. In August 1847, his parents moved to Iowa, locating on a farm in Concord township, south of Letts. Mr. Thompson lived here with his parents until Mar. 6, 1866 when he was united in marriage to Miss Amanda Colbert. The young couple moved north of the old home, to the farm one and three quarter miles southwest of Letts. Here they lived until five years ago, when they moved to Letts. To them were born two sons, Walter P. and Henry E. Henry died May 27, 1899.

Mr. Thompson was converted in middle life and united with the Church of God, of which church he remained a member until his decease. He lived a consistent Christian life, faithful in the attendance upon the means of grace, and in the fulfillment of his vows. The last Sabbath of his life he was in attendance at church. He was a cheerful Christian. He had a pleasant word for all with whom he met. This fact caused him to be loved and respected not only by his immediate relatives but by others, and especially the young people. He was a good husband, respected as a parent, kind and considerate as a neighbor.

He was an honored member of the I. O. O. F., the Columbus Encampment, and the M. B. A.

Mr. Thompson had not been well since the day before Christmas. On last Saturday morning he walked up to the barber shop to get shaved. He complained while there of a pain in the region of his heart. From the barber shop he went to Dr. Eland's office. While in the chair he passed away, aged 55 years, 11 months and 17 days. In the sudden departure of Mr. Thompson we are reminded of the record of the sacred historian in regard to Enoch, "And he was not, for God took him."

He leaves a wife, a son, three grand children, three brothers and five sisters, besides a host of friends and neighbors to mourn his loss.

Funeral services occurred Tuesday, at the M. E. church conducted by Rev. Fry, with interment in the cemetery.

Letts, Ia., Aug. 15.—Mrs. Amanda Thompson, aged 84, died Wednesday afternoon at 1:15, at the home of her son, Walter Thompson, southwest of Letts. The funeral will be held Friday afternoon, but the arrangements are not complete.

Amanda Colbert was born in Germantown, Pa., June 21, 1845. When 3 years of age she came to Iowa with her parents, who settled in Louisa county. On March 6, 1866, she was married to James Thompson at Onowa, now the town of Letts. Two children were born to this union, Henry Thompson, who died in 1899, and Walter Thompson, with whom she made her home. Her husband died several years ago.

Besides the one son, Walter Thompson, she is survived by four grandchildren, Arthur Thompson of Moline, Ill., Hazel, Mildred and Harold Thompson of Letts.

May 30.—Henry Thompson died Saturday at half past 2 o'clock, May 27, at his parents' home. He was sick but a few months and bed-ridden only a few days as a result of a severe cold that developed into quick consumption. Henry Thompson was born in Concord Township near Letts, November 13, 1883, hence was 16 years, 6 months and 12 days of age at the time of his death. Many beautiful flowers were given as tokens of love and respect. A very large crowd was present at the funeral and the tears of love and sympathy that were shed preached a far greater funeral sermon than any spoken words could do. The funeral took place at Letts, Rev. Bevan preached the funeral sermon, assisted by Rev. W. S. Kight and Rev. Kephart. Deceased leaves a father, mother and brother to mourn his loss. The family is assured of the sympathy of all in their sad bereavement.

OBITUARIES FROM WAPELLO TRIBUNE

1910

THE WAPELLO TRIBUNE, Wapello, Iowa.

Friday, March 18, 1910, Page 1. Continue George M. Christie.

Closing his work on the railroad in 1871, he returned to Wapello and resided with his parents until their death, the father dying in 1874 and the mother in 1879. He never having married and the old home broken up, he made his home with his brother, Henry until 1887, when he took up his home with his sister, Mrs. Mincher until his death.

In employment in the years since he quit railroading, he was a painter, doing the greater portion of his work in Wapello and vicinity. Of a retiring disposition, he was kind, unselfish and so generous hearted that designing companionship could even trespass upon his good nature.

The funeral services were held from the home yesterday afternoon at 2:30 o'clock, conducted by Rev. J. E. Newsom, with interment in the Wapello cemetery.

George, the little six-year-old son of Mr. and Mrs. W. J. Armstrong, of Morning Sun, died Sunday morning, March 13, at 1 o'clock, from the result of injuries received while at play Saturday afternoon. Physicians were summoned and everything possible done to save the young life, but after only a few hours warning the little lad passed away. He leaves to mourn his death, his father and mother, two brothers and one sister. The family have the sincere sympathy of the entire community in this sad and sudden bereavement. The funeral services were held from the R. P. church Tuesday afternoon at 2 o'clock, conducted by Rev. C. D. Trumbull. Interment was in Elmwood cemetery.

Page 4.

Walter Mincher was in the city over Sunday visiting his uncle, Geo. Christie who has since died. Mrs. Mincher was here Saturday and went on to Burlington to spend Sunday with friends.

Page 8.

→ James Thompson, a retired farmer of Letts, dropped dead in the office of a local physician there Saturday, a victim of heart disease. He complained of feeling badly that morning, but nevertheless went down town, going first to a barber shop, where he admitted that he was suffering severely. From the barber shop he went to the office of the physician, where he was suddenly stricken. The physician ran out of the office to summon assistance, and when he returned a moment later Thompson had succumbed.

Thompson would have been 66 years of age, had he lived until next Saturday. He is survived by his wife and one son, Walter, who resides on a farm southwest of Letts. He was a member of the Odd Fellows lodge and of the Methodist Episcopal church.

Mrs. Elizabeth Barker, who has been making her home with her daughter, Mrs. Walter H. Thompson, near Letts for a number of years, died at Wilton Sunday morning at 7:15 o'clock, while visiting at the home of another daughter, Mrs. John Nolte. Deceased was an aunt of Mrs. M. H. Bowman of this town and was one of the oldest and most highly respected ladies in Louisa county.

The funeral was held at the Cedar Bethel church Wednesday a. m. at 10:30 and the services were conducted by Rev. W. L. Fry, of Letts. Burial in Cedar Bethel cemetery.

Elizabeth Margaret Lowe was born in Bavaria, Germany, Oct. 24, 1830, and died at Wilton, Ia., Sept. 26, 1909. She was united in marriage to John Lintner on Jan. 16, 1854, at Wheeling, W. Va. To this union six children were born: Mrs. Will Stroup of Annapolis, S. D., Mrs. John Nolte of Wilton, Iowa, and B. B. Lintner of Letts, Iowa, the other three preceding her to the world beyond. The husband passed away in the year 1865.

She was again married in 1867 to Burdett Barker. To them three children were born: John E. Barker of Fredonia, Iowa, and Mrs. Walter Thompson, of Letts, Iowa, little Annie and the father having passed away.

Grandma Barker gave her heart to God at the age of fourteen years and has lived an earnest, exemplary Christian life. It was her greatest enjoyment to meet with God's people. She was a devoted, kind hearted Christian mother and neighbor. She had made her home for a number of years with her daughter, Mrs. Walter Thompson, and had gone in and out visiting her children and scattering sunshine everywhere. She will be greatly missed in the homes. She leaves five children, sixteen grandchildren and two great-grandchildren, besides ~~many~~ other relatives and *friends*

GEORGE LOWE

George Lowe, one of the leading young farmers of Concord Township, whose home is pleasantly situated on section 4, about four and a half miles from Columbus Junction, was born in 1861, in Louisa County, on the farm where he yet resides. He was the third in a family of five children, who were born to John and Margaret (Barker) Lowe, who were natives of Germany, and came to this country two years previous to the birth of our subject. The father was a mason by trade, and followed that occupation for some years in this country, but at length traded his home in Grand View for forty acres of prairie land and began farming. He subsequently added to his original possessions until he owned 280 acres of fine, arable land, under a good state of cultivation. He took quite an active part in the political affairs of the community and cast his ballot for the Democratic party. His death occurred in 1878, after a short illness, when forty-five years of age. His wife departed this life in 1877, at the age of fifty years.

Our subject was reared to farm life, and received his education in the district schools of Louisa County, where his entire life has been passed, and in 1882, in Grand View Township, he was united in marriage with Miss Allie Wagner, one of Louisa County's daughters. Her parents, P.C. and Catherine (Stroh) Wagner, were natives of Dauphin County, Pa., but became residents of this county at an early day, and are now living on Section 21, Grand View Township. The father followed cabinetmaking in his native state, and is now engaged in farming. By the union of Mr. and Mrs. Lowe, two children were born--Lelia Ethel and Berton Leroy.

The young couple began their domestic life upon the farm where they yet reside, which comprises 220 acres of fine, arable land, under a high state of cultivation. Upon it may also be found the improvements necessary to a model farm of the nineteenth century, and it is stocked with Durham and Polled-Angus cattle, and also Clydesdale and Norman horses. Mr. Lowe is not a politician, but votes with the Democratic party. He has served as school director for a number of terms, and has also served as assessor several times. He has identified himself with the public interests of the county, and is numbered among the best citizens.

THE LOWE FAMILY
By Ralph G. Lowe

The early life of the Lowe family as told to me by my Father, Mother, Uncle John Lowe, and things I remember Aunt Barker (Margaret) telling me when I was quite young. Aunt Barker was Grandfather Lowe's sister.

One thing I remember when she would start telling about their early life in Germany and also their early life in America, she would forget and start talking in German. My Mother would tell her not to talk German because I could not understand her (My Mother could not talk German but could understand it), then Aunt Barker would start all over and tell it to me in broken English.

The Lowe family originated in northern Germany; they were an old family but in later years, so few boys were born, the name was in danger of being lost. When Grandfather Lowe emigrated to America, his family consisted of himself, his sister, and one cousin. The cousin later came to America and settled in Minn., but our family never contacted him.

Grandfather left Germany in 1813, landing in Norfolk, Va. in 1814. Grandfather was a brick and stone mason, a trade he learned in Germany. This country being young and growing, brick masons were in great demand. After working one year, Grandfather was able to send for his sister, (Aunt) and his fiancée, Margaretta Barker. From the time they left their home and secured passage, it was a year before they arrived in America.

on Their arrival is a story by itself--Grandfather had no way of knowing when they would be able to secure passage or which Port they might land at. When he sent for them he said he would be working in Norfolk, Va. I cannot definitely say they landed here, but evidently not too far from Norfolk. They were two young German girls, in a strange country, unable to speak English, and looking for a man, a brick mason, by the name of Lowe. However, there must have been a guiding hand helping them.

They spent several days looking and talking to anyone that could understand German. One day they met a German who believed he knew where this man was working. He did not know his name but the description they gave him seemed to fit--this did prove to be Grandfather. We can imagine what a reunion that must have been!

Our Grandparents were married soon and in a short time started west. Grandfather and his partner, by the name of Geiger, would build a building, then travel to the next town, north and west. I remember my Father saying they built all the brick houses from Virginia to Iowa. Grandfather would lay the brick and Mr. Geiger would plaster them. They eventually arrived at Grandview, Iowa in the year 1820. Here their first son, John, was born. They built a brick duplex home. It was hardly finished when one evening Grandfather was talking to a man that said he had 40 acres of land west of a small town called Onawa (the name was later changed to Lettsville, then later to Letts.)

Grandfather told the man he would trade his interest in this house for the 40 acres, sight unseen. The deal was made. This 40 acres is the original Lowe Homestead, and has never been out of the Lowe family.

THE LOWE FAMILY (continued)

Grandfather and Grandmother walked from Grandview, carrying their one year old son, to their new home--they had only the description, given them by the seller--4 miles straight west of Onawa; there they would find a little log cabin near the east side of the 40 acres. They arrived late in the afternoon and spent their first night in the cabin.

I do not remember the cabin, but there still is a bare spot where it stood. The next year they built a house--strangely a frame instead of brick--this house was of walnut lumber and here all the children, with the exception of John, were born; Mary, George, Katey and William. This house still stands but has been moved a few rods south, and is still in good repair. It has been used for grain storage for about 75 or 80 years.

A house was built later where the present house stands--but it was torn down in 1911 and the present house built in 1912.

Grandmother preceded Grandfather in death 1 year. Grandfather was 45 years old when he passed away. In his short time in this country he had acquired 320 acres of land, 80 where the Homestead is, 80 south side of this--and the Will Lowe farm. However, the will Lowe farm has been sold out of the Lowe family.

(AS IN EACH!)

The name in Germany was spelled Low but pronounced Lowe. When my Mother came into the family she added the letter E. The English spell the name LOWE but pronounce it LOW, so the Lowe's are German, the Low's English.
(Lo)

At the present time there are 19 living males carrying the Lowe name.

HUSBAND - James Burton THOMPSON-3681

Info from James Burton and Frances Thompson of Letts, IA when they visited me in Bettendorf, IA 23 Jul 1996. They spent about an hour visiting and had such a nice visit. Someone in their family had done some research on their Thompson family and after I called Fred Hoopes in Muscatine and he told me to call his grandmother Grace Hoopes in Letts, IA and I told her I would send what I had and maybe she could help me on early families and she gave the letter to Frances Thompson and they were coming to Davenport one day so said would stop and brought what they had and let me keep the info and copy it and send back to them. Which I did.

In some instances I had more then they did and others they had more then I did so was nice to share what we had. I had copied all I had on their Thompson family so they could see what I had so we both lucked out.

Their address is 345 W. Main St., Letts, IA 52754 and phone #319 726-4171

Said they were married at the High Prairie church in Muscatine, IA. They have 4 children and Frances gave me some info on them.

Husband	William Henry Hoopes
Wife	Lucyphine (Josephine) Thompson
Notes HUSBAND - William Henry Hoopes BIRTH: Census records, middle initial, been written C and H but mostly H. Listed with parents in 1860 as age 19. Cemetery records list birth as 1840. Not sure of birth place, but father was said to be from Chester Co. PA. Middle name was written in one source as Henry. PARENTS: Info from county histories and newspaper articles and census from Muscatine have located the parents of William H. and also his grandparents, as well as Uncles who seem to have all made good in Muscatine, IA. MARRIAGE: Ross Co. OH Families listed mg to W.H. Hoopes. Checked mg rec at Louisa Co. and located mg record #139. Lucyphene md W.C. Hoopes in record. DEATH: Ross Co. OH Families. Greenwood cemetery records show Wm H. buried there with complete birth and death dates on the stone. Which was located from cemetery records in Riverview Addition Lot 6 Block 4. Have picture of family plot. Obituary located from Muscatine library and was very lengthy from Old Settlers Register pg 475. Stated he was buried that afternoon, which must have been dated 19 Apr 1901 which was when the cemetery showed he was buried. However there wasn't a card in the Death files in the Muscatine court house in the Clerks office for his death. They were living in Muscatine, IA when he died but don't know where. His Estate record listed in Muscatine, IA opened 22 Apr 1901 and closed 10 Nov 1903 Fee book B/131. Roll 30 Dlip 76.0 (other #'s 2573 and 4/265) He was survived by his widow, sons Frank & Fred and his aged parents, Mr & Mrs L. Hoopes (Lindley). The services was held at the home with Rev. W.L. Clapp of the Musserville M.E. church offered prayer. The procession left the home and went to the Musserville M.E. church, where Rev Clapp had short service and several others made remarks of William. Was stated he was a most christian man, thought much of by many. Was the pioneer gardener and establisher of the wholesale fruit business in Muscatine. His sons took over his business after his death. Mr Hoopes was instrumental in getting the local branch of the Heinz pickle works secured in Muscatine. He was also one of the organizers of the Island Canning Company and was chosen as its first president. He was one of the incorporators of the Muscatine street railway and a director and member of the executive committee until he sold his interest. He was instrumental in securing other improvements in the city, and was a general benefactor. The brilliant success of his idea of wholesale market gardening led others into that line of business that was made the once despised flats of Muscatine island to blossom as the rose and spread its fame far and wide throughout the country. "Memories of Muscatine" pub 1989 located at Musser Public Library, Muscatine, IA. copied pg 7 & 11. Pg 7 Early newspaper article dated 18 May 1881. Appears William W. Hoopes had been in business with several other people during his lifetime. One article under Muscatine Island Canning Factory said W.H. Hoopes President was one of the oldest canning business under careful management of W.H. Hoopes. Muscatine Island Interest, among the raisers and shippers from the Island Hoopes & Holcomb stand before all others. Their great farms at the head of the Island (partially within the city limits) are but a vast garden. A Journal reporter enjoyed a ramble through the garden yesterday with Mr Hoopes. They took a horse and buggy ride thru and was able to see a portion of the 257 acres, which is all garden except 10 acres. There were 40 acres peas, 20 acres of Minnesota sweet corn, 5 acres of early radishes, large amount of early cabbages, pair proportion of cucumbers, beats & turnips, 6 or 7 acres of asparagus and 155 acres of sweet potatoes and between some of this are other things growing like tomatos, melons. While they hire many workers they use 16

There were several pictorial albums in the Musser Public Library in Muscatine and one picture was listed as Fred Hoopes baby #9293 dated 14 Sep 1906 and believe it to be of his son Fred but no name so not sure but by looks of his age and date would probably be as Fred was born 1904 and this child could be about 2 years of age at the time.

Death of W. C. Brewster.

Word comes from the east of the death of W. C. Brewster, who formerly was engaged in the banking business here. Afterwards he located in Davenport, and while there was called to New York by word that death of an uncle had made him a millionaire, and he and his family have since made their home in the east. His wife survives him and one of his daughters is, Mrs. Remey, wife of a naval officer stationed at Washington, while the other married an Italian count and lives at Rome.

Death of John Nelbert, Sr.

Many citizens and friends in this city were pained to hear this morning of the passing away of John Nelbert, Sr., one of Muscatine's most respected old settlers. The end came peacefully to him at his home, 504 Cedar street, this morning, where he had lived for nearly fifty years. Mr. Nelbert was ill for some time last winter and although he seemed to improve for a time, has been gradually failing since.

Mr. Nelbert was born in Bavaria in 1812, but has lived in this country and Muscatine since 1854. On coming to Muscatine he entered the service of Ben Hershey, being one of the first men in his employ. He remained a trusted employe of Mr. Hershey and his company during his entire life.

He is survived by but two sons, John and George; his eldest son, Jake, being the one whose life was so sadly sacrificed while on police duty in South Muscatine some years ago. The wife and mother preceded her husband in death some fifteen years ago.

The funeral has been set for 2 o'clock Thursday afternoon from the German Evangelical Church, of which Mr. Nelbert has been a faithful member during his residence in this city.

The public is kindly advised to bring no flowers.

unexpected, yet only the day before he was down town greeting his friends. He awoke yesterday morning with an oppressive feeling in his chest, and at his request his daughter, Mrs. W. R. Edmiston, prepared him a hot drink, and alarmed at his symptoms of distress, hurried next door to summon her brother, George, who arrived just as their venerable parent was breathing his last, he expiring at 5:30, and just twenty minutes after he had awakened and complained of feeling ill.

The decedent was a son of Fatherland, first seeing the light of day at Schornbach, Grand Duchy, Hessen-Darmstadt, Germany, on January 5, 1822. In early manhood he came to America, landing in New York in 1844, and tarrying there but a short time proceeded to Pittsburg, and then to Quincy, removing to Walling's Landing, now Port Louisa, Louisa county, Iowa, in 1846. After twelve years' residence there he came to Muscatine and here has lived for 40 years, engaging in the wood, coal and sand business and steamboating, he having built or owned a number of boats, including the Mary J. Arnold, the Oriole, Ida May and Kate Keen. Capt. Arnold is survived by his son, Alderman George Arnold and one daughter, Mrs. W. A. Edmiston. His wife, Anna M. Merkel, to whom he was united in 1845, passed away seventeen years since.

The last sad rites will be conducted by Rev. P. Laurent at 9 o'clock Friday morning at St. Matthias church, of which decedent was a devoted member.

Was Laid to Rest Today.

Friends of the Late W. H. Hoopes Attended the Funeral in Large Numbers—Muscatine Loses a Valuable and Prominent Citizen.

The remains of the late William Henry Hoopes were laid to rest in Greenwood cemetery at 3:30 o'clock this afternoon. The very large company of mourning friends and relatives who attended the solemn burial services indicate the high esteem in which the departed one was held by the community for which he had done so much while in this life. The high ideals which he had and the christian spirit manifested by him at all times through out his most useful career are ample proof that the pioneer gardener and establisher of the wholesale fruit business in Muscatine has found reward for a life of such worth. Muscatine city and county can but feel a deep loss in such a noble character as was Mr. Hoopes and will long remember him as a cheerful giver and helper in all things pertaining to the public's good. Almost every extensive public improvement which has taken place in Muscatine during the past twenty years can be traced partially at least to his public spirit and the city may wait long before finding one who can take his place.

Funeral Services.

"Shall We Gather at the River" was sung by a double quartette at the house shortly after one o'clock and Rev. W. L. Clapp, of the Musserville M. E. church, offered prayer. At 1:30 o'clock the funeral procession left the Hoopes residence and at 2:00 o'clock the relatives and a large assemblage of friends gathered at the Musserville M. E. church to pay a last tribute of respect to the dead. The services there were quite short but very impressive. The double quartette sang, "In the Sweet Bye and Bye," after which Dr. J. C. W. Cox, of Washington offered prayer. A short funeral sermon was preached by Rev. Clapp, and a few well selected remarks were made by Rev. Cox, after which "Rock of Ages" was sung by the choir.

Summary of Remarks.

A summary of the remarks made by the pastor are as follows:

We come here at this hour with a feeling of subdued reverence. In the presence of the dead we are reminded of those words in which the Psalmist set forth the nature and brevity of human life when he said, "Man goeth forth unto his work and to his labor until the evening." Ps. 104-23. The evening of life has passed into the night in which no man can work. The lamp lighted has gone out, the evening is closed, what of his life? There appears in his early life, his religious training, his young manhood, marriage, conversion, his home and family life, the factors and forces; which operating one upon another reveal those traits and incidents which distinguish his individuality and mark his character. Bro. Hoopes was a man of strong individuality. This was nature's gift to him which was increased by his early life-pioneer in its nature, augmented by his innate ideas of rectitude and intensified by

his conversion. This individuality was also marked in his public life. As a public man he stood for something, and so forcibly that men recognized his position. There was a strong individuality in his life as a Christian. He combined christianity with business. He served God not only with his heart but also with his head; he was one with whom his pastor could wisely take "sweet counsel." As a citizen, public spirited, in church life, most active, efficient and faithful, in home life, a loving father, an affectionate husband, and a kind neighbor and brother beloved in the Lord.

At the Grave.

The cemetery was reached shortly after 3 o'clock and the services at the grave were conducted by the Knights of Pythias, Rev. Clapp offering but a short prayer. All the relatives were present at the grave, the principal mourners being Mrs. Hoopes, her sons, Frank and Fred Hoopes, and the aged parents of the deceased, Mr. and Mrs. L. Hoopes. The floral offerings were profuse and especially beautiful, being sent by the many friends of Mr. Hoopes, including H. J. Heinz, of Pittsburg, Pennsylvania, and others besides those sent by the Maccabees, Elks, Knights of Pythias, and Rathbone Sisters.

Public Benefactor.

Among the many friends of Mr. Hoopes by whom his death is keenly felt is H. J. Heinz, the head of the H. J. Heinz Company, of Pittsburg, Penn., who has repeatedly inquired about the health of Mr. Hoopes during his sickness. The local branch of the Heinz pickle works was secured mainly through the efforts of Mr. Hoopes, and at that time an ever living friendship was created between the two gentlemen. The departed one was also one of the organizers of the Island Canning Company, and was chosen its first president. He was one of the incorporators of the Muscatine street railway and a director and member of the executive committee until he sold his interest. He was instrumental in securing other improvements in the city, and was a general benefactor. The brilliant success of his idea of wholesale market gardening led others into that line of business that has made the once despoiled flats of Muscatine island to blossom as the rose and spread its fame far and wide throughout the country. The family and relatives have the sincerest sympathy of the public in their great loss of such a kind and good helper as was laid to rest by them today.

Marriage is like any other disease; while there is life there is hope.

An old toper says it's the drinking between drinks that hurts a fellow.

It's a great pity that some animals can't talk and a greater pity that some men can.

Cheerfulness makes the feast, but appetizing food makes the cheerfulness.

Without warning, Mrs. Phenia Hoopes, widow of W. H. Hoopes, prominent commission merchant and pioneer business man of Muscatine, became suddenly ill at 7:45 o'clock this morning. Within forty-five minutes she was dead, of heart trouble, in her home at 1211 Mulberry avenue.

Mrs. Hoopes had not been ailing. She arose this morning at the usual hour and was feeling well when she ate breakfast. Just after the meal she complained as a fainting spell was coming on. She never rallied. Physician Soon There.

Dr. F. T. Beveridge, who lives just across the street from the Hoopes home, was hurriedly summoned. Her two sons, Frank E. and Frederick P. Hoopes, were also summoned to the bedside, but their mother died before they could reach the home. Frank Hoopes had returned home just a few hours before from a business trip through Texas, Oklahoma and other southwestern states.

Mrs. Hoopes was seventy years old and for years had been prominent in the affairs of Muscatine. She was born on June 17, 1846, in Springfield, Ill., the daughter of Mr. and Mrs. Phillip Thompson.

When but a child, she settled with her parents in Letts, in Louisa county. They were among the prominent pioneers of Louisa county.

On August 12, 1869, she was married to W. H. Hoopes in Letts. They came to Muscatine and Mr. Hoopes started at once in the commission business, where, aided by Mrs. Hoopes, he made a success. W. M. STEWART TO GET HONOR

CAPTAIN OF 35TH IOWA SE-
LECTED THIS YEAR.

His Portrait on Every Badge Worn
By Members At Annual Reunion
To Honor Memory.

When 100 or more veterans of the Civil war, members of the 35th Iowa Infantry association, hold their annual encampment in this city on September 6 and 7, Captain W. M. Stewart of Company B., will be the man most honored. It will be his medalion portrait that each of the little band of the 35th's survivors will wear on his coat lapel.

Each year, the memory of some dead member of the 35th, who is entitled to the recognition, is honored when the members wear the badges of the 35th, each with a portrait of the man upon them. This year, it is announced, it will be Captain Stewart's memory that the old soldiers will venerate. He was a son of a Muscatine pioneer and prominent shoe dealer.

On the side of the badge opposite the portrait are the words "17th reunion of the 35th Iowa Infantry, Muscatine, September 6 and 7." The badge is hung by a half maltese cross, composed of red, white and blue ribbons.

100 To Attend.

About 100 veterans, their wives and families, many of them from various parts of the United States, are expected to attend the reunion. Wives and children of the old soldiers are eligible for membership, and consequently, members are scattered about in various parts of the country, although the majority of them still live in Muscatine.

The opening day will be given over to the reception of veterans.

The Best Laxative.

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move once each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. For sale, by Weldin Drug Co.—adv.

used. Then it was secured with 15 pounds of seed for the 2½ acres. Grimm seed, bought from three different Iowa firms, was used.

The first season brought at the first cutting a crop of weeds, at the second a crop of weeds and alfalfa, and at the third a good crop of alfalfa. In 1915 the first cutting was of four large loads, the second equally as good, the third three loads, and the fourth two loads. There was about 15 tons in all. By July 12, 1916, two cuttings had produced nine loads.

See That Spark Plug Works.

Many motorists attempt to determine whether a spark plug is in good order by laying it out on the cylinder with the wire attached and watching for the occurrence of the spark. If a spark does not occur, it is fair evidence that the plug is defective or in bad order. The occurrence of a spark is no indication, according to the automobile experts that Iowa state college, that the plug will operate properly inside the cylinder.

The spark delivered by an ordinary spark coil or magneto will jump three-eighths of an inch in the open air, three inches in vacuum or only one-sixteenth of an inch in air compressed to a pressure of 100 pounds a square inch. Thus the spark plug which appears to work well in the open air will fall completely in the cylinder in many cases. This may be due to cracked insulation, to oil or to carbon.

The spacing of the points of all the spark plugs in a motor to the same distance is a matter of considerable importance. Except where individual coils equipped with vibrators are used the distance between the points should be somewhere between one-fiftieth and one-sixty-fourth inch. This is somewhat closer than the thickness often used as a gauge. This would be of even a smooth dime, which is too less than two thicknesses of a calling card.

Cook Cheaper Cuts and Save.

Cheap cuts of meat are easily digested and palatable as well as economical if they are prepared in such a way that their toughness and lack of flavor is overcome, says the home economics department of Iowa State College.

Prolonged cooking at a low temperature will soften the connective tissues and make the meat tender. Even the old fashioned method of pounding or chopping the tough cuts will break the muscle fiber and this also will make it more tender and more easily digestible.

The natural flavor of meat may be retained by careful cooking. Other flavors may be added by the use of vegetables such as onions, carrots,

green peppers, turnips or by seasoning with condiments such as sage, lemon rind, vinegar, celery seed, pepper sauce, pickles, clover currant jelly or some good commercial meat sauce.

Taking Big Chances.

It is a great risk to travel without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as this preparation cannot be obtained on the trains or steamships. Attacks of bowel complaint are often sudden and very severe, and everyone should go prepared for them. For sale by Weldin Drug Co.—adv.

"Ikey and Abej."

The success of any farce comedy depends necessarily to a great extent on the singing ability of the rank and file of the company. Unquestionably Geo. H. Bubb, producer of "The Lion and the Mouse" and "A Royal Slave," also sponsor of "Ikey and Abej" has come out at the top of the hoop during the wild scramble among managers and producers for farce comedy people. The present line-up engaged for this notable production was recruited from the biggest and best of last season's comedy successes, by guaranteeing a long season and paying salaries that most producers would refuse. Nearly every member of the cast is well known throughout the country. This attraction will open the season for the Keck Theatre Friday, September 1st.—adv.

The "Pongamia" was a larger tree, about 20 feet high, with a thick, dark bark, and a dense, green foliage. The trees were scattered over the plain, and the ground was covered with a thick layer of dry grass and small shrubs. The sky was a clear, pale blue, and the sun was shining brightly. The air was warm and still, and the only sound was the rustling of the leaves and the chirping of the birds. The scene was peaceful and beautiful, and it was a good example of the natural beauty of the country.

MEMORIES OF MUSCATINE

MUSCATINE OAT MEAL CO.

The Muscatine Oat Meal Mills is another of the city's great and successful manufacturing enterprises, and has proved of vast advantage, not only to Muscatine, but to all eastern Iowa in enhancing the price of oats and providing a home market therefor. The mill is an immense structure on Water street, near the depot and steamboat landing, and is supplied with the best machinery and appliances known in the manufacture of oatmeal. The process is the "patent baked and steel cut," and the meal is unquestionably the best manufactured in the west—a statement which is sustained by the fact that the Muscatine meal is taken by the Eastern market as fast as it can be manufactured. Three grades of the meal are manufactured—A, B and C—coarse, medium and fine, so that any taste can be suited. The mill has been in operation nearly two years, and during much of the time has run day and night. The company is composed of the city's best and most responsible business men. See advertisement elsewhere.

MUSCATINE ISLAND CANNING FACTORY.

The Muscatine Island Canning factory, situated near the head of the Island, is the oldest canning institution in the city and has signally been successful from the start. Under the careful management of W. H. Hoopes, President; S. P. Sawyer, vice President, and W. T. Butts, Secretary and Superintendent, the company is one of our live and progressive corporations. Their large factory has been supplied with the best of appliances and methods of canning, enabling them to turn out a quality of canned goods which has no

to be one of the busiest places in the city in a few weeks. This enterprising company have recently doubled their capital stock and will enter upon a scale of canning operations this season never before attempted in Muscatine. They have contracted for nearly 400 acres of produce, including peas, beans, tomatoes, corn, squashes, pickles, and sweet potatoes and expect at the least calculation to put up 500,000 cans of various articles this season. Their can department is now turning out cans at the rate of from 3,000 to 4,000 cans per day.

In order to carry out their plans on the immense scale proposed, the company have put in the best and latest machinery in the West—machines to cut corn from the cob, "telescopes" for cooking the corn in the most improved process—machines for packing sweet potatoes and tomatoes into cans,—in fact, machines for everything. By these improvements the capacity of the factory has been tripled over last year's production. The quality of the Royal Canning Co.'s goods is the best—a statement that has never been disputed, and under the careful and energetic management of Fred. Daut, President, and Mr. Fayle, Secretary, the company's affairs have, indeed, a bright outlook. Their advertisement appears elsewhere.

Muscatine Island Interests.

The rich productiveness of Muscatine Island is one of Muscatine's most important interests, though the Island's vast resources have as yet only commenced to be developed. Last year hundreds of ear-loads of garden "truck," melons and sweet potatoes were shipped from here in addition to that consumed by the canning factories, and the Island's fame now extends throughout the entire northwest as one of the garden spots of the world. Among the raisers and shippers from the Island

stand before all others. Their great farms at the head of the Island (partially within the city limits) are but a vast garden, than which there is just now no more interesting place to visit in all Iowa. A JOURNAL reporter enjoyed a ramble through the garden yesterday with Mr. Hoopes. We took a horse and buggy along, however, and then were enabled to see only a portion of their two hundred and fifty-seven acres, all of which is garden excepting about 10 acres. Think of it, readers—forty acres in peas, growing beautifully; 20 acres of Minnesota sweet corn; 5 acres of early radishes; a large amount of early cabbages; a fair proportion of cucumbers, beans and turnips; 6 or 7 acres of asparagus; and one hundred and fifty acres of sweet potatoes, nearly one-half of which are already planted. But this is not all. We noticed specially

of nice bloom, a large patch of straw berries and many cherry trees. But even this is not all. It is not enough to get one crop from a piece of ground. Between the rows of peas, which are planted together as closely as practicable, are now planted in some instances nutmeg melons and in other places tomatoes, both of which are up and growing nicely. Soon the peas will have been gathered and the vines removed, leaving the necessary room for the melons and tomatoes to spread. Between the radishes, which will soon be out of the way, cucumbers are planted. The early corn will be gathered and immediately late corn planted in its place. And thus the admirable system works by which every inch of ground is utilized.

As the reader can well imagine, to carry on this vast system of gardening requires gangs of men for planting, cultivating, watering, &c., while a regiment of boys and women are employed during the season for picking, preparing for market, &c. Sixteen head of horses are required for the gardening operations. The firm also possess large greenhouses and hotbeds which are heated by raw steam, the best system known for germinating early plants. They have three houses specially built for keeping sweet potatoes over winter, and sold this season over 1000 barrels of seed potatoes, in addition to using large quantities themselves, from which they raised not only all the plants they needed but plenty for the trade besides.

In addition to the products of their own extensive farms, Messrs. Hoopes & Holcomb ship thousands of dollars worth of stuff for their neighbors, and their entire annual shipments amount to an almost incredible sum. The house, as the JOURNAL personally knows, is entirely responsible and reliable, and the members of the firm the soul of honor. They are filling orders from all parts of the country, giving to each prompt and careful attention.

superior anywhere—a fact that is attested by the popular demand for their goods which is already noticed throughout the Northwest. This company will this season devote itself entirely to canning corn, tomatoes and sweet potatoes. As soon as the season opens it will commence operations on a larger scale than ever before attempted and expects confidently during the season to put up 300,000 cans of their specialties. No one should fail to visit the Muscatine Island Canning factory when in the city to-day.

In connection with the Island interests the

are of vast importance to Muscatine as calculated to utilize and turn into money what has heretofore proved a drag on the market or an entire waste. The success of the factories for two seasons past has been noted with much public interest and a great deal of profit to the farming community.

and looks fine and clean. There is no lagging for lack of motive power. In the big mill the first Estes engine ever used to drive a saw mill is now running and doing excellent work. Its inventor, I believe, was formerly a Muscatine man. The engine alluded to does not show as fine work in its manufacture as those now turned out by the Novelty Iron Works at Dubuque, but, in the language of Mr. Berkshire, "It does the business without any foolin', and that's about all we could ask of any engine."

The Huttig Bro.'s Manufacturing Company of this place has a fine sash, door and blind factory and does an excellent business. The Huttigs are good mechanics as well as business men, and have been in business here for many years. The old planing mill establishment of Cadle, Mulford & Co., is now merged with this. They manufacture stock sizes largely and do an extensive shipping business, depending mainly upon southwestern and western markets.

ANNUAL REVIEW.

DECEMBER 31, 1884.

The year's addition to our manufactures will be found in the important extension of the shops of the Huttig manufactory, the building of the Musser Kiln, the large dry house at Hershey Co.'s lower mill and the enlarged enterprise of the Muscatine Manufacturing Co. This latter company suffered the loss of its shops by fire, but work is already going on for rebuilding on a larger plan than before.

Muscatine carpenters tell us that they have had more work this year than last, when their building operations amounted to \$100,000. A year that can show such improvements as the Hotel Webster, the Grosheim and Hy Myer blocks, the massive and stately new German Evangelical church, such elegant, costly dwellings as Geo. D. Magoon's, Newton H. Hine's, Wm. H. Hoopes's, the rows of handsome, suburban residences on the Iowa City road, the multitude of new cottage homes to be seen in every walk, and the number of tasteful and superior tenement houses, of which Mrs. M. Block's and Jacob Erb's are samples, such a year will certainly hold its own with any of its predecessors.

The C. R. I. & P. Railway during 1884 shipped 6,214 cars of lumber; this year, and the B. C. R. & N. about 100 cars.

THE YEAR IN MUSCATINE.

Life in Muscatine has run in about the same grooves as in former years. Business and capital have felt the depression weighing upon the country and few enterprises of a public nature have been undertaken. The city, by the aid of private subscription, has lifted Front street from its normal miriness and placed it on a solid macadam, at the cost of several thousand dollars. The Lutheran Evangelical church has erected a handsome and costly edifice and the A. M. E. society has nearly completed a substantial brick church. The Turners have thrown open a new and elegant Opera House at the cost of \$20,000. The old Commercial Hotel has changed proprietors and is in the process of being remodeled into a first-

class hotel. The new Avenue block, of James Fitzgerald, deserves mention for its imposing facade and substantial improvement, and besides other new blocks and notable and valuable extensions added to our mills and manufactories, there have been erected about three hundred dwellings, many of them of a style and beauty to greatly ornament the domestic architecture of the city. It has been remarked by all observing men, and especially by our real estate and tenement brokers, that never in the history of the city has there been so much private building enterprise on the one hand, and so great a demand for stores and dwellings on the part of strangers seeking homes and business in Muscatine. This is the more remarkable as no-

Have picture of his gravestone from Greenwood cemetery, Muscatine, IA.

He was listed in his mothers obit 1916 as living in Muscatine and conducting his fathers business.

There were several pictorial albums in the Musser Public Library in Muscatine and one picture was listed as Fred Hoopes baby #9293 dated 14 Sep 1906 and believe it to be of his son Fred but no name so not sure but by looks of his age and date would probably be as Fred was born 1904 and this child could be about 2 years of age at the time.

DES MOINES—(IDPA)—Atty. Gen. Richard C. Turner has said the three day right-to-cancel law applies to all purchases which exceed \$25 made at the state fair.

Turner, in a letter to fair board secretary Kenneth Fulk, asked that sellers in fair booths be notified that they will be expected to comply with this law.

The attorney general told Fulk that the state must, in its own activities, on its own property, take exceptional care to see that its laws are "scrupulously observed."

In his letter, Turner said his consumer protection division had called to his attention that a booth at the state fair falls within the purview of the three day cooling off law.

Normally it applies to door-to-door sales. Technically, the law covers sales "made at a place other than the place of business of the seller." Turner construes place of business to mean "the main or permanent branch office or local address of a seller."

Consequently, Turner said this means that the seller at such a booth must furnish the buyer of goods or services worth more than \$25 with a fully completed receipt or copy of any contract which is in the same language as that principally used in the oral sales presentation.

In addition, the seller must furnish each buyer a "notice of cancellation" which states the buyer's rights as far as cancelling the order at any time prior to midnight of the third business day after the transaction has been completed.

Urban Renewal law is approved by ald

Authorization to execute a contract for within the Urban Renewal Project I was approved by the Muscatine City Council.

City officials will now enter into a contract QED, Inc. on the sale of the parcel of land located block area on Second St., between Cedar and

The firm submitted a proposal to the indicating redevelopment plans that would place store at the corner of Second and Cedar Sts., mid-block and 75 motel units at the corner of Second Sts.

Redevelopment of the parcel will await demolition contract bids and the results of buildings of historical significance located within areas. The QED bid on the property was \$84,000.

Council approval came despite a request from Veterans of Foreign Wars post, the only other group to object to the city reconsider its choice of developer.

Darrell Miller, representing the VFW, said the present location was no longer safe for a large building and that property was needed for a new building.

"We need property and we want it downtown. That is where we believe the future of the city lies," Charles Coates, city administrator, told the council that there would be other parcels of urban renewal offered for sale at later dates.

Dear Grace,

It was very nice to talk to you on the phone last night and will appreciate any information you can give me on these families if you have any knowledge of them.

I have been tracing the Thompson family for many years. There were so many different Thompson families in Louisa Co. IA and around Letts that it is difficult to sort them out unless you can find someone who has knowledge of them.

As you can see from the family group sheets I don't have very much on Lucyphine Thompson Hoopes but am trying to locate a descendant of hers. I need more info on her father Philip Thompson and mother Rebecca Henderson Thompson. Last week while in Letts I visited the cemetery and located their grave markers but haven't been able to locate much on Philips parents and brothers and sisters, which is where I am heading.

Any help you can give me will |

I had called Fred Hoopes who lived in Muscatine and he said to call his grandmother Grace Hoopes who lived in Letts, IA which I did and she said she didn't know too much on the Hoopes but if I would send her what I had maybe she could come up with something, which I did and she gave the letter to Frances Thompson of Letts and was able to get more info on their Thompson line but nothing on the Hoopes family. So I started to research the line myself and have found at least 7 generations of the Hoopes family right in Muscatine.

Called her and then wrote her a little of info I had which she gave to Frances Thompson and I received more info on one line of the Thompsons but nothing on the Hoopes. I started researching them myself and have found quite a lot on them.

There was a Fred Hoopes who lived on 33rd street in Muscatine, IA whom I called and he said he didn't know anything of the family but his grandmother Grace Hoopes of Letts probably did. Called her and then wrote her a little of info I had which she gave to Frances Thompson and I received more info on one line of the Thompsons but nothing on the Hoopes. I started researching them myself and have found quite a lot on them.

JOHN THOMAS THOMPSON

John Thomas Thompson, an extensive stock raiser of Louisa County, Iowa, residing on Section 2, Grand View Township, was born in this county in 1858, and was the fourth child in a family of nine who were born to Philip and Rebecca A. Thompson, who were natives of Illinois. In his native state the father engaged in farming, and again resumed that occupation for some years in Grand View Township after his removal to Louisa County, but for the past ten or twelve years has been engaged in the hardware and implement business at Columbus Junction.

The boyhood days of our subject were spent upon a farm, and his education was received at the Seminary of Grand View. In Louisa County he was united in marriage with Mary A. Estle, their union being celebrated August 7, 1873. The lady is a native of this county, and a daughter of Thomas and Susan (Shellabarger) Estle, the former born in New Jersey, and the latter in Ohio. They were among the pioneer settlers of Muscatine County of 1838, and there the father died several years ago, and the mother June 15, 1888.

Mr. Thompson and his young bride began their domestic life upon the farm on Section 2, Grand View Township, where they yet reside. By their union two children were born, Gertrude and Edna, both at home. The farm is pleasantly situated about three-fourths of a mile from Letts, thus furnishing good school, market and shipping facilities. It consists of 160 acres, which at the time of purchase was raw prairie land, but Mr. Thompson at once began its cultivation, erecting a nice farm residence, and in 1887 building a large barn. As time has passed he has added to the original purchase until he now owns 240 acres of fine arable land, which is highly cultivated and improved, and comprises one of the best farms in the county. It is well watered by a never-failing spring, is all under fence, and so admirably tilled that every foot is tillable. Mr. Thompson's stock is all of the best grades, and he makes a specialty of raising Shorthorn cattle; he also raises fine draft horses, and has some full-blooded Norman horses; while his hogs are of the Poland-China and Chester-White breeds. He also raises fine colts for the market, and has a full-blooded Norman June Colt. He has six other full-blooded colts and eight fine brood mares. He takes great interest in raising fine stock, and has done much to advance the grade in the county.

Mr. Thompson takes an active interest in political affairs, and casts his vote with the Greenback party. His wife is a member of the Episcopal Church. The greater part of his life has been spent in Louisa County, and he has witnessed many of its most important changes, participating in its development, and aiding in its progress. He is numbered among the highly respected citizens of the community, and is known throughout the county as an energetic and leading farmer.

SUDDEN DEATH OF JOHN HARVEY

FORMER MUSCATINE MAN DIES
AT SEWARD, NEB., AT THE
AGE OF 59 YEARS.

J. L. Harvey Was Born in Muscatine
—His Marriage to Miss Jennie
Thompson Occurred at Letts, Iowa,
in May, 1872—Was Mayor of
Seward, Neb.

Word comes from Seward, Neb., of the death of a former Muscatine man, John L. Harvey, who died suddenly from heart trouble. Mr. Harvey was mayor of Seward, Neb., and was 59 years of age.

Mr. Harvey was born in Muscatine, Feb. 24, 1849, and was therefore but a few days past 59 years of age. In June, 1868, he removed to Seward, but before going there he was engaged in the mercantile business at Letts, Iowa, and also at Mame, Iowa, serving as postmaster in the latter town for a number of years while a resident there. At Letts, in May, 1872, he was married to Miss Jennie Thompson, and to them were born seven children, two sons and one daughter having died in childhood, while four sons, Edward, W. of Newark, N. L., Roy T. of Seward, George of Colorado and Glen who is attending school at Crete, together with their mother, survive him. The deceased is also survived by his aged parents, Mr. and Mrs. S. C. Harvey, who on last Thursday celebrated their sixtieth wedding anniversary, and also brothers and sisters as follows: W. C. Harvey, of Mame, Iowa; W. S. Harvey of Lincoln; C. F. Harvey of Des Moines; W. R. Brainer of Denver; E. E. Harvey of Council Bluffs, Iowa; Mrs. S. D. Atkins, of Seward; and Mrs. E. M. Taylor, of Mitchell, Neb.

Since becoming a resident of Seward Mr. Harvey had been a traveling salesman for a wholesale rubber goods house at Omaha. He was a good citizen and popular among the people. Eight years ago he was elected mayor of Seward and a short time before his death had forwarded to the postal department a petition signed by more than six hundred citizens of Seward and surrounding territory, endorsing him as a candidate for the appointment of postmaster.

Funeral services were held at the home, conducted by Rev. Gleason of the Congregational church. It having been found necessary to delay them until this time in order for Howard Harvey to arrive from New Jersey.

Notes

HUSBAND - Ignatius Thompson *

Find A grave internet site of his grandson Thomas S. Thompson who died in 1922 Grant co. IN, said in his history that Ignatius Thompson, came in an early day from his native state, Virginia, to Ohio and purchased six hundred ares of land in the river bottoms of the Scioto in Ross Co. He in later years went to Louisiana, there contracting yellow fever and dying.

Yet family info has said he died 1834 maybe Ross Co. OH. and maybe he did get back home before death overtook him. Maybe he had written his will before he went to Louisiana?

It is possible Nancy isn't his mother if was Oswald's 2nd wife or could be? Not located any info to date.

First info from Eldon Thompson May 1995. They had located the will of Ignatius Thompson in Ross Co. OH dated 1834 and listed children and wife.

I wrote to Ross Co. and got copy of the will #6349, Received Jun 1995. It was also abstracted in the book Ross Co. Wills.

It appears the will was first dated 22 Oct 1825 then crossed out and 15 Mar 1826 written in place. It does list wife and sons Charles W, Thomas L, & John W. all who signed land records in Madison Co. OH 1834-1844. It would appear Ignatius is the father of our John W. Thompson.
#6349:

Will: In the name of God, Amen, I Ignatius Thompson of Union Township, Ross County, State of Ohio, being in perfect health of body, mind, memory & understanding, knowing the certainty of Death, and the uncertainty of the time thereof, do hereby make, and constitute this my last Will & Testament, in manner & form as followeth viz.

First & principally I commit my Soul into the hands of Almighty God who gave it; my body to be decently buried at the discretion of my Executrix & Executor hereafter named, & after my funeral charges are paid, with all my Debts I give & bequeath in manner & form following viz. _____

Item 1st I give & bequeath unto my well beloved wife Anna Thompson the one third of all I possess both Real & personal, always the last as have clause- to be kept in view viz. my Debts & funeral expenses.

Item 2nd I give & bequeath unto my oldest Son Charles W. Thompson; and also unto my second Son Thomas L. Thompson; and also unto my oldest Daughter Jane Thompson; and also unto my second Daughter Mary Ann Thompson; & also unto my third Daughter Nancy-Thompson and also unto my 3rd son Ozwell Thompson; also unto my fourth John W. Thompson; all the residue of my estate each to have an equal share of the same.

And lastly it is my express will and meaning that if any controversy or dispute should arise concerning any bequest by me here given & granded among any of the said legatees, that no suit or suits in law or equity shall be commenced, instituted or prosecuted in any manner concerning the same; but shall be wholly refered to the ? or Judgement of my three esteemed friends viz, Philip McVeameer of Pickaway County (crossed out) and added my wife Ana Thompson, Thomas Walker of Fayette Co. (crossed out) and my son Thomas Thompson, and William Thompson of Ross county; in case of death, resignation or nonacceptance, the President Judge of the Court of Common Pleas for the County of Ross from time to time -shall ____ & fill such vacancy, and in testimony of this my last will & testament I subscribe my name and affix my seal this 22nd (crossed out) 15 day of October (crossed out) March in the year of our Lord eighteen Hundred & twenty five (five crossed out) six. (appears signed by Ignatius Thompson)

Signed & sealed in the presence of us who have subscribed our names as witnesses thereto at the request of Ignatius Thompson the Testator---Lewis Walker, Joseph Thompson, Jacob Ritchhart, George Thompson.++++++

Wife	Anna ?Unknown
Notes HUSBAND - Ignatius Thompson * (Continued) Probated 1834 Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later. Not known at this time where parents came from, there were people by that name in VT and MD, don't know about VA. It is thought father came to OH very early as there was one person by that name in the early tax records of Washington Co. OH. Do we know Oswald was father of Ignatius, he was listed in his will in Ross Co. OH and there was only one in the area? Do we know his son Ignatius was our direct line? Not for sure but that name also wasn't a popular name in OH records. His wife was Ann and his children were listed as same ones that was in Madison Co. OH in 1834 signing land records and we do know John W. Thompson md Mary Harpole in Madison Co. OH so all that info seems to fit. Land records of Ann, Charles, Thomas, and John in Madison Co. OH 1834 and 1845 when she was listed as Ann Hall wife of William Hall who died abt 1845-46 IA/OH. 1820 Ross Co. OH, Ignatius Thompson m-to 10-1 16/26-1 26/45-1 ov45-1, f-to 10-2 10/16-1 26/45-1 (copy) 1830 Ross Co. OH, Ignatius Thompson m-5/10-1 20/30-1 50/60-1, f-5/10-1 15/20-1 40/50-1 (copy) 1840 widow Ann Thompson with 2nd husband William Hall in Madison Co. OH. by 1850 Anna Hall 67 living with son Thomas L. Thompson in Madison Co. OH 1860 she was also living with son Thomas L Thompson in Madison Co. OH age listed 82 VA 1870 not located Thomas, family or Anna Hall in Madison Co. OH. Thomas died Mar 1870 Madison Co. OH. SOURCES: "Index to OH Tax Lists 1800-1810" by Jackson 977.1 J13i Ft Wayne. Does have a listing for Ignatius Thompson pg 407 in Ross Co. OH 023 Union Twp. 1818. Checked for Ignatius Thompson in all other sources that was checked listed under his fathers info and found some but don't think were this person. "Tombstone Inscriptions For Union and Deerfield Twp Ross Co. OH" 977.101 R73t Ft Wayne, checked all 5 volumes and did not locate Ignatius in the Thompson cemetery where his father was buried or any other in county. Maybe no stone? Or maybe they had moved to Madison Co. and he was buried there. Haven't checked cemetery records for Madison to date but his will was recorded Ross Co. There was one Sarah Ann d/o Iq (?) and Ann d. 22 Oct 18 (25?) aged 2 mo. that could be dau of this Ignatius & Ann as buried in the family Thompson cem. Some different info from the Blackford and Grant Col IN History pub 1914, listed a complete bio on Thomas S. Thompson and his parents Thomas L. and Mary Davenport Thompson and Thomas's father Ignatius as being native from Virginia. Also stated Ignatius in later life went to Louisiana, there contracting yellow fever and dying. (This being strange as his will is recorded in Ross Co. Ohio in 1834) Much of the info in book was correct but this statement? Don't think we had located a burial place for Ignatius in OH thought. WIFE - Anna ?Unknown BIRTH: 1850 census listed Ann as age 67 and 1860 listed her as 82 both VA. MARRIAGE1: Not located marriage record of Ann ? to Ignatius Thompson but believe was about 1794 or before. 1883 Madison Co. History states: p1000: Ann - granddaughter of Margaret (Tiffin) Gardner, sister to the 1st Gov Of Oh Edward Tiffin 1803 & 1809. Most info doesn't know of any children but one Article listed Eleanor Tiffin b. Oc 1815 Ross Co. d. 6 Jan 1900 Ross Co. dau of Edward Tiffin and 2nd wife Mary Porter. Md 22 Apr 1840 Matthew Scott Cook. b. 3 Apr 1803. Another article Ohio Biographies: Governor Edward Tiffin listed no children by first wife but 2nd wife listed Mary Porter Tiffin md Joseph A. Reynolds of Urbana OH. and now deceased, Diatheia Madison who resides with her sister Mrs Cook. Eleanor Worthington, now Mrs M.Scott Cook of Chillicothe; Rebecca Turner wife of Dr C.G. Comegys of Cincinnati and Edward Parker Tiffin as also Dr, killed by railway accident returning from Europe in 1853. there was no mention of who the grandau Margaret (Tiffin) Gardner, sister to 1st Gobv of Oh, Edward Tiffin was however so that still leaves question who was Anna wife of Ignatius Thompson.

WIFE

- Anna ?Unknown (Continued)

MARRIAGE2: Ann Thompson md William Hall 16 Mar 1834 in Madison Co. OH and recorded there Vol A pg 190.

Had thought Ann md Ignatius Thompson and he had died by 1834 when she started signing land records in Madison Co. OH with John, Charles & Thomas Thompson then Eldon found a will in Ross Co. OH of Ignatius Thompson that listed wife Ann and children John, Charles, Thomas & others so it was thought this was our family.

DEATH: Not located a death record to date but was after 1860 prob. OH. Not located an estate or will for her in Madison Co. OH.

Land records of Ann, Charles, Thomas, and John in Madison Co. OH 1834 and 1845 when she was listed as Ann Hall wife of William Hall who died abt 1845-46 IA/OH. Ann was listed as guardian of John Thompson at this time. Not located any guardianship papers in Madison Co. OH.

CHILD 7 - John Wesley Thompson Sr.*

BIRTH: Bible record from Grandma (Thompson) Lowe has death date of John Wesley Thompson as 10 Mar 1892 age 68 yrs 1 mo 15 days which calculates to birth of 26 Jan 1824. Original copy in possession of Gladys L. Lowe Treadway. Another bible record listed birth as Jan 1824. Compton Bible records located Oct 2006 listed John W. born 25 Jan 1829 (but believe 9 should be 4) One of the pages from Death records from Compton bible listed John Thompson died Mar 10, 1892 our son (which couldn't possibly be bible of John's parents as both had died before he and his wife) Compton Bible record had dates for Mary Harpole and her father John Harpole born 23 Jun 1795 (we had June 1795 from grandmother Lowe's bible). Cemetery stone listed complete date. Place is not determined to date. Believe the parents were living in OH but not sure if maybe Ross Co. or Madison Co. at the time. Other researchers believe was living in Ross Co. OH.

(Record very hard to read but his was clear enough to make out-copy under Levi Douglas family-GLT)

MARRIAGE: Marriage was recorded at London, Madison Co. OH. (if birth dates correct John was 19 and Mary was 24) Have a picture of John and Mary when they were elderly which would have to been taken before 1892 when John died. Also one of Mary by her self taken before the one of both of them died. Esther House also had a picture of them when they were probably middle age or older which ended up in the latest Adair Co. History.

DEATH: Cemetery stone list date. Have pictures of stones. Have copy of will and estate record from Adair Co. MO. He died at home. Wife Mary was executrix. He left all to his wife, therefore no children were listed. Wit: A.H. Linder of Adair Co., B.F. Linder of Macon Co. and Ella Linder of Adair Co.

There was an article in the paper "The Weekley Graphic" Adair Co. 14 May 1894 "L.D. Thompson and B.F. Linder adm. of estate of J.W. Thompson deceased, first settlement.

The inventory, certificate and affidavit from Adair Co.: BK ? pg576 Inventory J.W. Thompson Adair Co. Mo dated 22 Mar 1892 listed real estate, loans and Mary giving adm. to son L.D. Thompson and son in law B.F. Linder. Also listed heirs: Sarah Linder, C.W. Thompson, L.D. Thompson, J.W. Thompson Jr, Willard O. Thompson and heirs of Louisa Poats dec'd. as being Alzada Compton, Edward Potes and Ira Poats. Listed personal property and Public sale 7 Apr 1892. Plus all items sold and to who bought them and for how much.

A letter written by son John Jr. 7 Mar 1894 from St. John, WA, wanting to know how much the estate was for as he was an heir. No one would tell him anything he says. He says he will be there when the estate is settled if he knows. This letter was included in the estate papers of John W. Sr.

CIVIL WAR RECORD: National Archives had no records but MO National Guard Hdq at Jefferson City, MO sent copies of one John W. Thompson #816 50th Reg Enrolled Mo Militia as Private in Co. 2 by Capt Feller. Organized 11 Aug 1862 Kirksville, MO Active duty 11 Aug 1862 Kirksville MO by Col John McNeil. Relieved from duty 29 Aug 1862 by Gen .McNeil. Remarks: 18 days service exempt by disability. HE WOULD HAVE BEEN AGE 38. Date of birth listed as 35 to 40.

Other record #427 86th Reg. E.M.M. Capt Hotter, Private in Co. C. Enrolled 1864 at Kirksville Mo into active service 20 Sep 1864 Kirksville, Mo by Col Foster. Relieved from duty 31 Oct 1864 by Col Foster for 31 active days. HE WOULD HAVE BEEN AGE 40.

PARENTS: We have not located who his parents are for sure. Ann Thompson was listed as his guardian in 1834 in Madison Co. OH when they sold land there. Had believed this was his mother, but could have been another relative. This Ann Thompson married William Hall in 1834 in Madison Co. OH and he died in 1846 while in Louisa Co. IA. Besides John, and Ann and William Hall was listed Thomas L. Thompson and Charles Thompson in same land dealings from 1834 thru 1845. Ann Thompson was listed in household of Thomas L. Thompson in 1860-70 census Madison Co. OH. Haven't located death for Ann to date, census stated she was born 1778-1783 VA and this would fit for her to be John's mother as well as Thomas and Charles's.

INFO FROM ELDON THOMPSON, 1995: List father as Ignatius Thompson and mother as Ann and says children are listed in his will of 1834 in Ross Co. OH. If the other children were still living why weren't they in the same land records that John, Charles and Thomas were, I don't know.

1964 a letter written by George Thompson, son of John Jr. to his niece, said John Sr. moved from Iowa to Mo in the spring of 1858. Stated John Sr. was a sargent with Grant during the Civil War and his son Charles also served the last year of Civil War with Grant. (Charles was born Nov 1849- he would have been 15 in 1864 so not sure this is correct). Also stated John Sr. was 1/2 Scotch and 1/2 English and Mary Harpole was 1/2 Dutch and 1/2 Irish. (How he determined this I don't know.-since no one I know has located any info on John Srs parents to date. We do have info

Several land records from Madison Co. OH, Louisa Co. IA, Adair Co. MO. Have copies of some of records.

Adair County Pictorial Book pub. 1993 has picture of John Wesley Thompson and Mary Harpole in their later years, but not sure of the date. Esther Lowe House had put the picture in.

CENSUS RECORDS:

1840 Madison Co. OH believe John age 16 is in household of William Hall 70/80 and Ann Thompson Hall. Sommerfield Twp. pg 55. They have a male age 10/15.

Jul 2006 Vivian Vice Wright sent e-mail to Sandy Taylor saying she had info from her husbands family of Compton's that had some dates from the John W. Thompson family. Most dates matched what I had except couple different, she had John b. 25 Jan 1829 and she also had my grandmother Laura Alice Thompson b. 6 Aug 1886 which Laura always stated 1885. Most info from the Compton family.

Later Vivian wrote to say she believed from all info John W. was born 1824, the 4 being mistaken for a 9.

Bottom of Form 1

Hi Rick, I have a will for Ozwald or Ozwell Thompson that lists an Ezekiel Thompson, but only as an amendment two hours before his death. Early on in the will it states "amongst all my sons, Namely, Ignatious, Philip, Ozwald, William and Joseph Thompson". Then in Item 8th, I ^ (lodical an addition of Supplement) give and bequeath unto my beloved son Ezekiel Thompson, all that tract or parcel of Land that I purchased of George Emery Sen ^ (after my estate pays for it) together with all the Improvements thereon, to him and his heirs forever. Then at the bottom of the will is the following note. NB The 8th Item altered and amended on the evening of Tuesday the 28th day of August 1810 within two hours of the Death of the Testator as witness our hands, Benjim Jones Thos Holing On another page where it is taken before the probate court judge, he has the heirs sign that they agree to have the will proven. It lists; Anne (Her X Mark) Thompson, Widow, Ignatious Thompson, Philip Thompson, Oswell Thompson,

Mrs. Gladys L. Treadway
2815 Hillside Court
Bettendorf, IA 52222-2915

Dear Gladys:

I'm sorry to be so slow answering your letter dated Sept. 5th, but it was forwarded to us here in Salt Lake City by our friend in Yuma. My husband and I have been here since August 13th researching at the Mormon Library.

I am enclosing two family group records, the first on my ancestor, William Thompson (1756-1847) who married Mary Nichols about 1810. You will see his will on page 3. We know this to be correct information.

The second family group sheet is on Oswald Thompson (1745-1810) married to a Nancy. His will is shown on page 3. We found this will in Ross Co, Ohio last summer and since he mentioned a son William, and I was desperate to connect my William to his father, I copied Oswald's info into my computer. Now since you tell me his William married a Rebecca Simpson, I guess he is not my William's father.

It gets confusing because you state your Philip Thompson (1821-1892) married to Rebecca Henderson is a son of Oswald Thompson (1776?-1840?) whereas I show him as a son of my William Thompson/Mary Nichols family.

Since you live in Iowa with access to Iowa records, can you check this discrepancy out for us?

Have you been to the Thompson cemetery in Louisa County? We had quite a time finding it as it is in a cornfield with no markers indicating a cemetery. We wrote to Bonnie's cousin in Virginia who used to live in Iowa and he gave us the directions.

We were in Bettendorf about 6 years ago and took a trip out on your gambling/cruise boat for the day and had a very nice time. Is it still operating?

Look forward to your answer to this letter. I will try, while here, to look into the Thompson records, but they are about as easy a name as Smith to locate!!

Sincerely yours,

P.S. We are on e-mail -- in case you are too. Our address is:

Louvina (also spelled Lavina) married Daniel O. Thompson on December 29, 1854 in Louisa County. After her death, he married Louisa Harrison.

"Columbus Safeguard", Columbus Junction, Louisa County, Iowa.

July 31, 1879 [Thursday], Page 3, Column 6. In column headed "Fredonia Items" and dated July 30, 1879: "While Fredonia can truthfully boast a peacable, quiet temperate village, yet it has its griefs with its joys. On last Sunday [July 27], a number of us, and many of the adjoining neighborhood east of us, were pained to be summoned to follow, as a last tribute of respect, the remains of Mrs. Daniel Thompson to her last resting place at Indian Creek Cemetery, where she was buried. The procession was imposing indeed, unfrequently large. The funeral services by the Rev. Bevens, of Lettsville [Letts, Iowa]."

served under the generalship of Stonewall Jackson. He was united in marriage to Elizabeth Long on April 24, 1864. To them were born six children, two of whom with the wife and mother are left to mourn his death. Two children died in infancy and Elmer at the age of 19 years, Tola at the age of 23 years. The two living children are Mrs. J. L. Packwood, of Marshfield, Mo., and Orson P., of Elrick, Iowa. He is also survived by one sister, Mrs. Lucy Randall, and one brother, S. R., both of Mound City, Mo.

The funeral services were held from the Fairfield church Tuesday at 11 a.m., conducted by Rev. G. M. Peck. Interment was made in Fairview cemetery.

Reuben F. Cocklin, an aged resident of Grandview, 88 years old, died last Sunday.

Deceased has been a resident of this county for a number of years and he leaves a large family of grown children. He was a soldier of the civil war and was a member of Co. G, 19th Iowa infantry, of which A. M. Taylor was captain.

The funeral services were held from the home in Grandview last Monday afternoon at 1:30 o'clock. A number of the members of the local G. A. R. post attended the funeral. Interment was made in the Grandview cemetery.

✓ Phillip E. Thompson, a son-in-law of J. H. Weber, living northwest of Wapello, met death instantaneously last Friday morning while at work in the timber, a large limb falling on his shoulders and breaking his back.

Mr. Thompson had moved to Wapello the day previous to the accident, and had gone out in the morning for the first day's work on the farm. They were preparing saw logs in the timber about a mile from the Weber home, and taking them to the saw mill about one and a half miles from where they were working. From a large tree that had been felled, one log had just been taken to the mill by Charles Weber and the hired hand. In their absence, Mr. Weber and Mr. Thompson were preparing another log from the same tree, having used the saw together until the log was partly off, when Mr. Weber left Mr. Thompson sawing alone, in a sitting posture on the ground under a large limb, while Mr. Weber was working about the top of a tree, expecting to return and assist Mr. Thompson. Mr. Thompson continued sawing, and having progressed faster than expected, the top separated from the log and turned toward Mr. Thompson, the limb striking him across the shoulders, crushing him to the ground and breaking his back. Charles Weber and the hired man just returning from the mill as the accident occurred, assisted Mr. Weber, and in five minutes

Nathan F. Cocklin, an aged resident of Grandview, 88 years old, died last Sunday.

Deceased had been a resident of this county for a number of years and he leaves a large family of grown children. He was a soldier of the civil war and was a member of Co. G, 18th Iowa Infantry, of which A. M. Taylor was captain.

William E. Thompson, a son-in-law of J. H. Weber, living northwest of Nashville, met death instantaneously last Friday morning while at work in the timber, a large limb falling on his shoulders and breaking his back.

Mr. Thompson had moved to Nashville the day previous to the accident, and had gone out in the morning for the first day's work on the farm. They were preparing saw logs in the timber about a mile from the Weber home, and taking them to the saw mill about one and a half miles from where they were working. From the mill by Charles Weber and the hired hand, in their absence Mr. Weber and Mr. Thompson were preparing another log from the same tree, having heard the saw logcatcher until the log was partly cut. When Mr. Weber left Mr. Thompson sawing alone in a clearing on the ground under a large limb, while Mr. Weber was working about the top of a tree, expecting to return and assist Mr. Thompson. Mr. Thompson continued sawing, and having two gangs of horses then expected, the log separated from the log and turned toward Mr. Thompson. The limb striking him across the shoulders crushed him to the ground and breaking his back. Charles Weber and the hired man that returned from the mill a few minutes later, noticed Mr. Weber, and in five minutes

had the body removed from under the tree, but life was extinct. They immediately placed him upon the sled, removed him to the home and summoned a physician, who said that the death was instantaneous.

Phillip Earl Thompson was born October 20, 1887, at Burlington, Iowa, died February 25, 1910, at Wapello, Iowa, aged 22 years, 4 months and 5 days.

He was the son of Mr. and Mrs. G. M. Thompson, whose home was in Burlington, Iowa. He and his brother, who died some years ago, were the only children of the family. He grew to manhood in Burlington, graduated from its High School and attended Elliott's Business college there.

Having splendid business talents and commercial capabilities, with tact, wisdom and manliness for dealing with people, he was recognized by business men and in commercial circles as a most trustworthy young man and thoroughly competent for great business responsibilities. It resulted that at the age of twenty-one, he was made the manager of the Grand Union Tea Company of Burlington, Iowa, in whose employ he remained until the opening of the present month.

He was married September 1, 1909, to Miss Nellie Pearl Weber, the daughter of Mr. and Mrs. J. H. Weber, of Wapello, Iowa, at their farm home five miles northwest of the city. After their marriage, Mr. and Mrs. Thompson went immediately to their new home at 627 North 3rd St. in Burlington, Iowa, where they resided until the evening before his death, when they were just moving back from Burlington to his father-in-law's farm. His short married life of but a few months was a very happy one. Thoroughly appreciating a good home, he affectionately and nobly did his part to help make their's a truly christian and exemplary one.

He had longed to be on a farm. And when on the first of the present month the Grand Union Tea Company desired him to go to Butte, Montana, as manager of their company's business house there, he took advantage of the opportunity to get from under the heavy commercial responsibilities which had lately been physically telling upon him, and to change for some out of door life and recuperation of farm toil for a season. It was planned, if all should be well, to remain permanently on the farm; himself and his brother-in-law, Charles Weber, together, to take full charge of his father-in-law's home place. Though they had returned by train just the evening before, and their household goods were yet unpacked, he was so anxious to commence his new work at once that soon after breakfast, he kissed his wife a happy goodbye for the morning and, dressed for the robust life of the field, went out as joyously as could any son, when entering upon a long looked for old home vacation; or as could any appreciative one embrace

some rarest privilege of life. None dreamed that in less than three hours his lifeless body would be brought back as the result of a terrible accident. In the awful gloom of his sudden death, it was some relief to know that he did not suffer, for the family physician who was called immediately, said that his death had been instantaneous. It was a greater relief and even a comfort that he died as he had lived--a noble, christian, manly man.

In the midst of the rush of life he had not forgotten his relation to God, but was a christian, a member of the Congregational church, and had earnestly sought God's help and guidance in his life, his home and his business.

In being thus prepared to best live, he was prepared to suddenly die. Though his life was short, yet the world was enriched by his having lived in it.

The funeral services were held from the Methodist Episcopal church in this city Sunday afternoon at 2 o'clock, conducted by Rev. J. E. Newsom. Interment occurred in the Wapello cemetery.

Mrs. Hettie Davis, an aged colored lady, lies helplessly ill at the home of her son-in-law, Chas. Thompson.

John Fry, a restaurant keeper of Letts, took rat paste on last Tuesday night, presumably with suicidal intent. There is said to be every reason to believe that he will recover. Mr. Fry lives in rooms over the restaurant. He was found by his son, who hastily summoned a physician to attend him. Fry has several grown children.

Messrs. Neal Ekdale and Earl Young were up from Burlington last Sunday to attend the funeral of Phillip Thompson.

Friday, March 11, 1910. Page 1.

Grandview. Mrs. Chris. Kallenberger, and son, Fred, arrived on the morning train Tuesday to attend the funeral of Mr. K's mother-in-law, Grandmother Kallenberger.

Grandview. Grandma Kallenberger departed this life Sunday morning at 2 o'clock after a brief illness of about one week, aged 83 years. The funeral was held from the Congregational church Tuesday afternoon at 2 o'clock. Interment in the Grandview cemetery.

John Simeon Limbocker was born January 19, 1834, in Jackson county, Indiana, and died March 9, 1910, at Wapello, Iowa, aged 76 years, 1 month, and 19 days.

The chain carriers were Isaac Hudson, Walter Watson, Joseph Brown, Abraham Denton and Samuel Brown, while the markers were Skinner Hudson and Abraham Watson. In ascertaining the center of Madison County, Benjamin Strong and Henry Warner served as chain carriers. Patrick McLene was paid the sum of \$82.50 for his services in finding the center of the county and running the boundary lines as described above; while the chain carriers and markers each received \$1 per day. If there has ever been a survey of the line between Madison and Franklin Counties, it is not on record in London, the book exhibiting a blank space where such survey was evidently intended to be transcribed.

Upon the erection of Union County, in 1820, the Commissioners of Madison ordered the Clerk to notify the board of Union County that they were willing to give them two miles and a half off the north end of this county, the line to be run parallel with Root's line. It seems, however, that the line between Madison and Union Counties was not established in a satisfactory manner, for we find that in May, 1823, Patrick McLene, Auditor of Madison County, and the auditor of Union, agreed to order out the surveyors to establish the line in dispute between these counties. David Chapman was appointed on the part of Madison County, and the following survey was made May 24, and reported by him June 2, 1823.

"TO THE AUDITOR OF MADISON COUNTY—Pursuant to your order, to me directed, I attended with Alexander Robison, Deputy Surveyor of Union County. We proceeded on the 22nd inst. to survey the line between the county of Madison and the county of Union. We began at the old line dividing the counties of Madison and Franklin, from Delaware, where the east line of Union County crosses said line; thence south two and a half miles, and made a corner for Union, set a post from which a

Under the Territorial laws, passed at Marietta, in 1788, the office of Sheriff was adopted from the statutes of the older States. Previous to April 3, 1803, the office was appointive, but on that date an act was passed providing for an election every two years. The following is a list of men who have filled the office in Madison County since its organization: From 1810-13, John Moore; 1814, James Ballard; 1815-16, Philip Lewis; December 14, 1816-18, James Ballard; December 13, 1818-June, 1819, William Ware; June 8, 1819-24, Nathan Bond; 1825-26, Stephen Moore; 1827-30, Henry Warner; 1831-34, William Warner; 1835-36, J. Davidson; 1843-44, Stephen Moore; 1845-46, William Warner; 1847-48, John Jones; 1849, William Squires, who left the county, and the office was filled in 1850 by George W. Lohr, the Coroner; 1851-52, William Warner; 1853-56, Edward McCormack; 1857, William Smith, who left the county in March, 1858, and the Coroner, Calvin Newcomb, served out the term; 1859-62, W. S. CHAPTER XIII.

PAINT TOWNSHIP.

THIS township occupies a position in the western tier of the townships of Madison County, and is bounded on the north by Union Township, on the east by Union and Range, on the south by Range and Stokes, and on the west by the county of Clark. The surface is generally very level, and contained, in its original state, as the first settlers found it, large and extensive prairies and oak openings; the western, southern and central portions possessing but little heavy timbered land in its primitive state. Bordering on Walnut Run, in the northern part, and along the eastern portion of the township, the surface is more undulating, with here and there portions approach a slightly hilly condition, the most of which was heavily timbered. The principal species of the trees of the forests were white, black and red oak, hickory, walnut, elm and maple. In the oak openings, the prevailing timber was burr oak. The township is well watered by Walnut Run and Paint Creek and their numerous tributaries. The former crosses from west to east through the entire northern portion of the township, while Paint Creek consists of two forks, the West and East Fork. The former rises in Clark County, and enters Paint Township near its northeast corner, takes a southeast course, and unites with the East Fork in the south central portion of the township, then flows south into Stokes Township. The East Fork rises in the northern part of the township, on the Addison S. Jones farm, flows southeast to the center of the township, thence turns to a southwest course and unites with the West Fork as above mentioned. The soil is exceedingly rich and fertile, the oak openings and prairies possessing a deep black loam, while the more undulating portions of the north and eastern parts of the township are a mixture of loam and clay, and underneath these is a stratum of blue clay mixed with limestone, and through this we reach a bed of gravel, the structure and composition being favorable to the retention of moisture and its protection from long-continued droughts. It is a very strong, productive soil, and well adapted to the growth of grass or grains. In an early day, these prairies produced for the early settlers an abundance of pasture for their stock, and many of them entered largely, and some exclusively, into the stock business, the sedge on these prairies often reaching the wonderful growth of six to eight feet in height. Right in the center and heart of this township and of this beautiful prairie settled a young Virginian about 1810, and, entering upon the stock business, finally fenced in a large scope of this fine pasture, increasing his business from year to year; became a rich and wealthy man, owning his thousands of acres of this beautiful and rich country. By a fair degree of business tact and shrewd financiering, this man's coffers were almost spontaneously filled to overflowing. And this is only one of many, who, in greater or less degree, have become wealthy in Madison County by entering upon the stock business in an early day, and reaping the fruits of these natural advantages afforded by these great and productive prairies.

W.D. Brinkley

A country possessing such natural resources could not long escape the observation of those pioneers and frontiersmen who were so rapidly pushing from the rising toward the setting sun. To those men from the rock-bound hills of Virginia and other States in the East, such a country as this held out attractions they could not resist, and we early find the domains of Paint being occupied by the white man. From the best sources of information we have been able to obtain, it appears that the first pioneer of Paint Township was Andrew Sifrit, who was born near Winchester, Va., in 1750. When but a young man, at the first call for troops in the commencement of the war of the Revolution, he enlisted as a private soldier, and served for eight long years. For these services he subsequently obtained a warrant for 200 acres of land. He was married to Susan Shrock, by whom he had nine children. Mrs. Sifrit died, and he married for his second wife Miss Hannah Morrills, a native of Virginia, by whom he had twelve children. Thus he was the father of twenty-one children. In 1803, he, with his family, emigrated to Ross County, Ohio, where they remained one year, and in 1804 came to Madison County, settling in Paint Township, on land now owned by John Paulin, on what is called Sifrit Run. This, it is believed, was the first white settler in Paint Township, as it is now known, but at that date was Darby Township, in Franklin County.

Let the reader of the rising generation imagine the surroundings of this pioneer family. Not more than half a dozen families as neighbors (if you may term them such) within a scope of fifteen miles; nothing in the daytime but the sound of the ax and its distant echo to cheer their lonely lives, as he fell the giants of the forest preparatory to erecting a log cabin for a dwelling place for his large family; at night, their slumbers disturbed by the howl of the wolves and the mingled cry of other beasts of prey; and the whole intensified by the fear of the savages, who were then in plentiful numbers all through the country! Do you wonder that it took bone and muscle, and, more than all, a great degree of fortitude and moral courage to go through all this? To purchase goods or get milling done they had to go forty miles to Chillicothe, and much of the way over terrible mud roads, and some of the distance no road at all, only as they cut and made it. But here, with such surroundings, Mr. Sifrit and his family began. They erected a double log cabin and commenced to make a farm and a home. They had willing hands and hearts, and knew how to labor; and from year to year their conveniences and comforts began to appear, neighbors were settling all around them, and everything began to wear a more pleasing aspect; and before Mr. Sifrit's death, he was permitted to see the opening up of a magnificent country, and the future prosperity of his children fully assured. He died in 1847, at the advanced age of nearly ninety-eight years.

Of Mr. Sifrit's children by his first wife, five came with him to this county—Catharine, James, Mary, Elizabeth and John. James, the elder son, was a young lad when they came to this county, and was able to render his father and family great assistance in their first labors here. He married Elizabeth Higgins, by whom he had six children, three now living—Nathan, John and Lovinia. Mr. James Sifrit spent his life as a farmer and stock-raiser; was quite prosperous, and at his death owned between 300 and 400 acres of land. He died in April, 1881, aged eighty-five years. John, the youngest son, married Harriet Chapman, by whom he had eleven children; two only survive—Joseph and Jacob. In 1835, John, with his family, removed to Marion County, Ohio, where he died about 1849, just in

the prime of life. He was quite an energetic, active business man, and had acquired between 400 and 500 acres of land. He served as a Justice of the Peace several years. Of Mr. Andrew Sifrit's children by his second wife, seven now survive—Susan, now Widow Earl, residing in Seneca County, Ohio; Nancy, wife of Daniel Kinsery, and resides in Illinois; Julia Ann, now Widow Roe, residing in Minnesota; Jacob, a resident of London; Lawrence W., residing in Franklin County, Ohio; Maria, now Widow Hamm, residing in Iowa, and Michael, also a resident of Iowa.

Peter P. Helphenstine, a native of Virginia, was a Major in the war of the Revolution, for which services he received land grants for a large amount of land. In October, 1846, he started for Ohio, and, arriving at Chillicothe, he became acquainted with Col. Elias Langham, who was going up into the "Barrens" to lay some warrants. David Watson had accompanied Mr. Helphenstine from Virginia to Ohio, and now they associated with Col. Langham and came up to Madison County to locate and lay and survey their lands. They finished their work about February 14, and returned to Chillicothe. Mr. Helphenstine and Mr. Watson remained there till in September, 1806. They returned to Virginia and at once made preparations to remove to Ohio. Mr. Helphenstine and family, Jonathan Minshall and family and Walter Watson and family, with their connections, to the number of thirty-nine persons, with six or seven wagons, started for their new home in the wilds of Ohio. They arrived at Chillicothe the last of October, 1806. There they left their families, while Mr. Watson, with his family, located upon a place which his son David had previously rented for him, and Mr. Helphenstine proceeded to his land, and, with the assistance of David Watson and others, erected a cabin, and, in January, 1807, moved his family from Chillicothe into the cabin, in his new and permanent home, and here Mr. Helphenstine remained through life, being, it is believed, the second settler in Paint Township. He was an excellent neighbor and citizen, a devoted Christian, and lived and died highly esteemed and respected by all who knew him. Some years later, Henry Helphenstine, a brother of the above, became a settler of Paint Township.

David Watson was born in Maryland October 17, 1783, and, with his father, Walter Watson, and his family, became settlers of Ohio in 1806, and in 1807, with Mr. Helphenstine and family, David came to Paint Township, and here was married to Mary Helphenstine, for whom he formed a special attachment when she was but ten years of age, while residing in Virginia. They commenced in life with nothing, as poor as any person ever started out in life. But we will not here devote space to portray a history of this valuable citizen's life, as it is fully given in another part of this work. Suffice it here to say that Paint Township may well be proud of having been the place of residence of one whose life was so full of activity, success and usefulness. George Blougher, of German descent, came with or about the same time as Robert Hume, in 1804. He worked one year for him, clearing his land, for which services Mr. Hume deeded him 100 acres of land, upon which he settled and remained through life. He was a very honorable man, a good neighbor and a worthy citizen. About 1810-12, a Mr. Harpole settled on the Hume land, and became owner of quite a large amount of land, but of him and his we know but little.

James Withrow, a native of Pennsylvania, came to Madison County and located in Paint Township, on Walnut Run, in 1807, and, one year later, brought his family to his new home. Here he took up 250 acres of land. All the country around was a vast wilderness, in which he had but

three neighbors—David Watson, Jonathan Minshall and Peter P. Helphenstine. Indians were still here, and were frequent visitors at their house. They were generally friendly and peaceable, but frequently too free or officious, and would borrow or take things out of the house, such as cooking utensils, sometimes keeping them a long time, but would generally return them. They would frequently borrow corn-meal and provisions of various kinds. Corn-meal in that day was an item of some value, when they had to go forty-five miles to Chillicothe to get grinding done. Sometimes they would have their supply of meal nearly exhausted, and they would hide it in the straw tick in the bed. On one occasion, Indians searched the house all over, and even the bed, but did not happen to find it. Mr. Withrow never allowed them to bring their guns in the house, but had them leave them outside. At one time, Mr. Withrow having gone to Chillicothe to mill, the Indians came and wanted to bring their guns inside the house, but Mrs. Withrow required them to leave them outside. They came in and sat by the fire. Mrs. Withrow was spinning, and she observed them talking with each other, and apparently displeased about something. By their motions she could understand that they were talking about scalping her. With all the courage she could command, she instantly ordered them out of the house, and by continued firmness finally succeeded in getting them away. Such trials of their courage and fortitude were quite frequent in that early day, and it seems those noble pioneer women were peculiarly fitted for the occasions they had to meet. Mr. Withrow was quite a military man, and was a Major in the militia for many years. He, in later years, after his farm began to produce wheat, hauled it to Urbana over the then terrible mud roads, and sold it at 37 cents per bushel. The last hat he purchased for himself he bought at Urbana, for which he gave fourteen bushels of wheat. He erected a saw-mill on Walnut Run about 1815, which was the first mill in this vicinity, and one of the first in the county. This mill was run by water, and remained in use about ten or twelve years. Mr. Withrow was no office-seeker, and desired no notoriety in that way, but was an active, industrious man, and devoted his life to his farm interests. His character and integrity were beyond reproach, and was a devoted member of the Presbyterian Church, having brought with him, when he came here, a letter of his membership in the church where he lived in Pennsylvania, bearing date 1803, and connected himself with the church at London, in which church he was an Elder many years.

Of their family of seven children, Ann, the eldest, married Abraham Phifer. She died about 1878. Margaret died unmarried. David married Mary Harvey, and settled in Paint Township, where he died without issue. Isabel married John Stroup, by whom she had five children; is now a widow and resides in London. One of her daughters is the wife of Mr. McLaughlin, proprietor of the Phifer House. Another of her daughters, Rebecca, married Joseph Foss, emigrated to California, and was said to be the first woman who ever went through on the overland route. She is now a resident of Australia. Robert married Ann Carr; resides in London; was formerly Sheriff of the county, but is now retired from all active business. Washington married Catharine Truman and settled on the home place. Then he purchased a farm, which, a few years after, he sold, and in 1842 purchased the Robert Hume land, upon which he resided till, in 1878, he removed to his present place of residence, in Newport, where he has since resided, retired from all active business. His life has been devoted to farming and dealing in stock. From 1836 to 1853, he gave his special at-

tention to buying stock through the Western States, and driving them over the mountains to the Eastern markets, and during this business of seventeen years' duration, there was but one year in which he did a losing business; the sixteen years were successful, and yielded him good profits. His business life has been one of activity, crowned with success, having accumulated a large amount of property. His principal fault in life has been in being too kind-hearted and accommodating for his own financial good, as he has paid over \$40,000 security money. But, notwithstanding these misfortunes, he has an ample competency left, and a clear conscience that he has faithfully discharged all obligations, no matter how unjust some of them may have been. Mr. Withrow has been employed to settle up a great many estates in his community, and has filled many of the important offices of his county and township, and is one of the pillars of the Methodist Episcopal Church at Newport, of which he has been a member since the winter of 1854, and has filled most of the important offices of the church. Samuel, the youngest child of Mr. James Withrow, married Charlotte Rankin and resides in London; is engaged in farming, which has been his principal business through life.

John Stroup was a native of Pennsylvania, and settled on the Buffenberger land about 1810, where he remained through life. He devoted his life to farming; had a family of five sons and two daughters; one now survives, and is a resident of Range Township, now Widow Nancy Timmons. John Phifer, a native of Virginia, emigrated to Madison County about 1810, and located on Paint Creek, on what is now known as the Buffenberger land. He was a blacksmith by trade, which business he followed, in connection with farming, through life. He had a family of three sons and four daughters, all now deceased. Mr. Phifer was an exceptional man for honesty, integrity and uprightness of life. Industrious and faithful in business, kind hearted and liberal, ever ready with his means and influence to aid in every moral progress and improvement, and died at a good old age, loved and respected by all who knew him.

George Phifer, son of the above, married Tabitha Dean; was also a blacksmith by trade, which business he followed several years. After his marriage, he located at London and became one of the active business men of that place. He erected the Phifer House; also the block on the opposite side of High street now occupied by Wolf's clothing store and others. During this time, he was carrying on an active business as a farmer and stock-dealer, and was also for several years engaged in the tanning business—in all which enterprises he was remarkably successful, and died possessed of a large amount of property. Abraham, son of John and brother of George Phifer, married Ann Withrow and settled near his father; devoted his life to farming; was very prosperous, and at his death owned 600 acres of land and several thousand dollars in money. John, the third son, died when young. The daughters were named Dolly, Clara, Betsey and Nancy. All married and had families, and became prosperous and good citizens.

Peter Buffenberger a native of Virginia, while a young single man, emigrated to Madison County, Ohio, and in 1810 located on Paint Creek, in this township, and entered at once largely into the stock business on the prairie, and was very successful. About 1816, he fenced in a large tract of these prairies. He accumulated a large estate, and when, at the advanced age of seventy-five years, married a young lady, Miss Angeline Hutson, by whom he had two children—Eugene and May. The former married a Mr.

Crawford, of New York. Mr. Buffenberger died a few years after his marriage, leaving his family 4,200 acres of fine land, besides 700 acres which he had previously decided in fee simple to his wife. His wife subsequently married for her second husband Mr. Colburn, and they now reside in New Jersey, and Mary, her youngest daughter by her first marriage, who is unmarried, resides with them. About 1810, George Linsco, a native of Virginia, settled on Paint Creek, just below the Buffenberger tract of land. He was married in Virginia, and came here in very limited circumstances; entered upon the stock business; was very successful and made money rapidly, becoming the owner of over two thousand acres of excellent land. He was the father of five sons and two daughters, of whom two now survive—Margaret, now Mrs. Slough; and Jesse. The former resides in Pleasant Township, this county; the latter in Fayette County.

George Chappell settled near Walnut, Run about 1810, and remained a resident of this township till death. He was a native of Virginia; married Margaret Green; had four sons and two daughters, all deceased but two—Thomas and Charles, who are now residents of Illinois. Mr. Chappell served as a Justice of the Peace for many years, and while in that office used his best efforts to get parties to compromise, and thus avoid all litigation, if possible; was a most excellent man and faithful officer. John C. Jones, though not an early settler of Paint Township, having settled here in 1844, yet he was born in East Tennessee in 1817, came to Ohio in 1821, grew to manhood, and has been prominently identified with the growth and progress of the county from a very early day. He has served as Director of the County Infirmary, as a Justice of the Peace, as Township Trustee and other minor offices. He is now quite advanced in years, having spent a long and useful life, devoted to the interests of his county and the community in which he has lived. Rev. William Sutton, a minister in the Methodist Episcopal Church, was, it is believed, born in Virginia, but became a settler of Paint Township about 1810, locating on the Hume land. He married Hannah Coberly; resided here but a few years, when, as a Methodist minister, he had to adopt the itinerant life they live; but the greater portion of his life was spent in the service of the ministry within Madison County. He died at Mt. Sterling, although his home and residence at the time of his death was in London, and there his body was taken for interment. He was an excellent man and faithful Christian minister. Lewis Higgins, a native of Virginia, settled on the Hume tract of land about 1811.

Benben Gregg, a native of Virginia, emigrated to Chillicothe in 1810, and to Madison County in 1811, and located in Paint Township, about half a mile below where the village of Newport is now situated. He married Phoebe Harpole, and remained a resident here till his death. Thomas Coberly, a native of Virginia, emigrated to Ohio and purchased 100 acres of land in Paint Township about 1810, upon which he located, and where he resided till death. He was an industrious, hard-working pioneer, and raised a family of four sons and three daughters. Of these, William served in the war of 1812, and subsequently became an extensive farmer and trader, which occupations he followed through life. James Chapman was born in Frederick County, Va., in 1801. In 1816, he became a settler of Paint Township, and subsequently married Ann Chapman, a native of Virginia, by whom he had nine children; three now survive. Mr. Chapman is now eighty-one years of age, is hale and hearty, with good eyesight, and is now one of the few early pioneers yet surviving.

ERECTION OF PAINT TOWNSHIP.

Although the territory which now comprises Paint Township began to be settled up as early as 1804, yet it was the last township but one to be erected. On the records at the court house we find the following: June 7, 1853—"A petition was presented to the Commissioners, asking for a new township, to be called Paint Township, to be composed of parts of the townships of Stokes and Union. Beginning at the county line near Peter Slaughter's, thence running an easterly direction to the line of Range Township; thence a northerly direction with the original township line to the corner of Stokes and Union Townships; thence northeast so as to include Baskerville's, and to continue in that direction far enough to include Robert Reed, or some point so as to get enough territory; thence a northerly direction to the line of Clark and Madison Counties at some point north of William T. Jones'; thence a southern direction with the county line to the beginning. Therefore, it is hereby ordered by the Commissioners of Madison County, that the foregoing described territory, or as near as may be deemed proper, be, and is, established a township, which shall be known by the name of Paint; and be it further ordered that Henry Alder, Surveyor for the county of Madison, and John T. Maxey, proceed to survey and establish the lines and boundaries of said township, erecting proper monuments at the several corners thereof. Ordered by the Commissioners that the legal voters within the territory heretofore described meet at the residence of James Phifer, on Saturday, the 25th day of June, 1853, and there and then proceed as provided by statute in such cases, to elect all necessary officers for said township."

June 6, 1855—"A number of citizens of Union Township presented a petition that the line dividing the townships of Union and Paint be so changed that they may be included within the boundaries of Paint Township, to wit: Beginning at the angle in said line between the residence of Washington Withrow and H. Langham; thence north so as to include John Ham, Sr., John C. Jones and Job Coberly, Sr., in Paint Township; thence near a straight course to the junction of the Midway & London Turnpike road and the old Xenia road, that: being the Paint Township line, or near that place where the Paint Township line strikes the old Xenia road." The petition was granted, and Nelson Baker appointed to survey the line.

CHURCHES.

One of the first organized churches in Madison County, if not the first, is the Methodist Episcopal Church now located at Newport, this township. In 1807, at the house of Jonathan Minshall, a class was organized by Rev. Mr. Lakin, with three members—Jonathan Minshall and wife and David Watson, with the former as Class-Leader. Meetings were held and preaching occasionally had at the house of Jonathan Minshall till, in 1809, David Watson's father having located near David's place, meetings were held at his place until in 1822, when David's mother died, after which the meetings were held at David's house. As the neighborhood became settled up, the class grew and increased in numbers. Between the years 1816 and 1820, there was held each year, for two or three years, a camp-meeting in this neighborhood, which was probably the first of the kind ever held in Madison County. People came to these meetings from many miles distant, and camped in tents, and had many very enjoyable meetings. At one evening meeting, twenty-four persons joined the church, under the preaching of Rev. Alexander Morrow. The church held their meetings in private houses until the building of a public schoolhouse, about 1831-32, when the services were held in the schoolhouse, which was erected where the cemetery is now located. Here the church continued to hold their services till

about 1850, when the society erected a church edifice about one mile east, at Newport. They erected a good, substantial frame building, at a cost of about \$700. This building served the society until about 1872, when the present brick house, 56x32 feet, was erected, at a cost of about \$4,500, and is a very neat and comfortable house of worship, well finished and well furnished. At the time of the erection of the first church building, the society numbered about twenty persons. Since that time, the church has been served by the following ministers: Rev. Mr. Smith, John Stewart, Joseph Brown, Mr. Crum, Archibald Fleming, Mr. Spahr, Samuel Tibbitt, J. T. Miller, Mr. Pitzer, A. Alexander, Mr. Heath, Mr. Vananda, A. R. Miller, I. Bradrick, Mr. King and Rev. Mr. Mackey, who are now the present pastors. In November, 1872, the new church was dedicated, Joseph Trimble preaching the dedicatory sermon. The membership is now about one hundred. Trustees, Samuel Coberly, William Withrow, John Paulin, William Cleveneger, David Watson and Washington Withrow; Stewards are Washington Withrow and David Watson; Class-Leaders, Samuel Coberly and W. Withrow. In connection with the church, they have had a good, flourishing Sunday school since the erection of the first church edifice. It now numbers about sixty scholars, with James Buell as Superintendent.

Protestant Methodist Church.—In 1850, a few persons met at the school-house, then located where the cemetery now stands, and, under Rev. Rameth Hussey, were organized into a class, consisting of the following persons: Presley Rains, wife, three sons and one daughter; James Jewell and wife; Elias Forbis and wife; Joseph Stroup and wife; Gideon Peck and wife; Isabel Stroup, Josie Watson, Sarah Jones, Polly Wagoner and Elizabeth Sifrit; and perhaps one or two others whose names are not now remembered. Elias Forbis was Class-Leader. The society held their meetings at the schoolhouse for three or four years. In 1854-55, they erected their present frame house in Newport, which was completed and dedicated to service the same year, and it is believed that Rev. A. H. Trumbo delivered the dedicatory sermon. The membership is now about twenty-five, with Rev. T. D. Howe as their minister, and Amos Gregg as Class-Leader, who has served as such more than twenty years. Trustees, James Evans, John W. Vent, Singleton Yates, Amos Gregg and Uriah Thornburg.

CEMETERIES.

For many years the early settlers had their family or neighborhood burying-grounds. One of these was on the John Phifer farm, where several of the Phifer family and many of the people of that neighborhood found their final resting-place; but now nothing remains to show that there was ever a grave made there, the ground being used and cultivated for grain. Another was on the Hume land. Some bodies, however, have been removed from here and deposited in more permanent and well-preserved cemeteries. This ground is, however, still inclosed by a fence, but no more persons are being buried there. The only one which has become a permanent burial-place is the Withrow Cemetery. This was first established as a family burying-place of the Withrow family, and was probably first opened by the reception of a body of a child of William Orider, after which it became the general burying-place for the neighborhood, and thus continued till about 1870, when it became the property of the township. Originally there was but one acre of ground fenced in. The Trustees then purchased six acres of David Watson and added to it, so that it now contains seven acres, and is well fenced in, and laid out in walks, with good graveled roads

and walks around them, with good shade and ornamental trees, making it a very pretty rural cemetery, and a fit depository and resting-place for the dead.

SCHOOLS.

The first school, it is believed, in Paint Township, was held in a cabin on Jonathan Minshall's land, Samuel Harvey being the first, or one of the first, teachers, the school, like all early schools, being supported by subscription. The teacher received about \$15 per month for his labors. The first schoolhouse was of the pioneer, primitive kind—round logs, punchoon floor, slab seats and greased paper windows. The first public schoolhouse was erected on the ground now embraced in the cemetery. This was a hewed-log house, and was then considered quite neat and comfortable. This house was succeeded by a frame one, erected on the same ground about 1847. This house was used for school purposes till about 1872, when the present brick was erected, at a cost of about \$1,500. This is now known as District No. 2. The township now has nine subdistricts, and all have good brick houses, costing from \$1,500, to \$2,000, except in Subdistrict No. 8, which is a good frame house. The schoolhouses and the schools are perhaps in this township equal to if they do not excel those of other townships of Madison County.

TOWNS.

This township contains but one small village within its borders. In 1849, the land where Newport now stands was owned by Ephraim Freehour, and in that year he laid off some lots for the town, and donated one lot for school purposes. James Coberly erected the first house, in which he lived till his death. The second was built by Elias Forbes as a dwelling for himself. The first blacksmith was James Jewell. He was succeeded by Henry Roland. About 1851-52, John Coberly built a steam saw-mill in the town, with the old kind of upright saw, which, after some years, was supplanted with a circular saw, and is now owned by Jackson Coberly. Elias Forbes was the first wagon-maker. The first store was opened by Napoleon Moore, who erected a building and put in a general stock of goods in 1854. The post office was established in 1856-57, with James Goscard as Postmaster. The present Postmaster is Thomas Durkee. The village now contains about one hundred and fifty inhabitants; has one general store, one grocery, two blacksmiths, one wagon-maker, one carriage painter; and contains two churches, and one schoolhouse with two departments—one for the small and one for the larger scholars.

This township is supplied with good roads and free turnpikes, passing through it and leading in all directions to the important towns in other townships and counties. Through the northwest corner of the township passes the Jefferson, South Charleston & Xenia Turnpike; running in a northeast and southwest direction through the township, a little west of the center, is the old London & Xenia road; then further east is the Madison & Fayette Turnpike, the London & Bloomingburg road, and the Vanhooktown road, the latter forming the boundary line between Paint and Union Townships for two to three miles. Through the northwest part of the township, and running nearly parallel with the Jefferson, South Charleston & Xenia Turnpike, passes the Pittsburgh, Cincinnati & St. Louis Railroad, and, although there is no town on its line within Paint Township, yet they have a way station called Florence.

but, while on the ocean, one child died. The family finally reached Madison County, Ohio, and settled in Jefferson Township where they all have lived since, save one child which returned to England and one now residing in Indiana. Our subject was born in England in 1839, but since fifteen years of age has been a resident of Jefferson Township, where he married Minerva F., sister of Ezekiel Arnett, of Jefferson. This union has been blessed with a family of seven children. Mr. Harbage is by occupation a farmer, which was the vocation of his ancestors in England for several generations back. He is the owner of 323 acres, under good cultivation, and is an enterprising citizen. He has always taken a deep interest in the schools of his township, and has repeatedly served as local Director, now being President of the Board of Education.

E. G. HAYNES, farmer, P. O. West Jefferson. A. R. Haynes, father of our subject, was born in Virginia August 30, 1789. At the age of seven years, his parents settled at Chillicothe, Ohio, where both died, and where A. R. remained until 1824, when he went to the State of New York, remaining four years. In the meantime, he married Hannah Bateham, of English birth, who was born in 1809, and emigrated to America in 1825. A. R. and wife reached Ross County, Ohio, in 1829, where he owned a saw-mill and farm. These he superintended, and at the same time conducted his trade —coopering. Thus he continued until 1855, when he located in Franklin County, and, four years later, in Madison County, near Jefferson. He there bought nearly two hundred acres of land, which had been settled many years, although but little improved. He was a robust and hearty man, ready to meet all emergencies. He was industrious, and strictly devoted his attention to farming after reaching Madison County. From the age of twenty-five years to the day of his death, August 3, 1881, he was a close follower of the Methodist Episcopal Church, and for the greater part of the time was officially therewith connected. He and wife had twelve children, five of whom died in early life. Seven reached maturity, and six are now living. One lost his life in the late war, at the battle of Guntown, or Brice's Cross Roads, Miss. The subject of this sketch, the second eldest son living, was born July 24, 1838, in Ross County, Ohio. Since 1859, he has been a resident of Madison County. By occupation he is a farmer, and now owns a farm of fifty acres, under good cultivation. He married Miss Rachel Bolds, of London, Ohio, by whom he has one child living, Louie. Mr. and Mrs. Haynes have for the past twenty-seven years both been members of the Methodist Church.

E. B. HAYNES, farmer, P. O. West Jefferson, son of the late A. R. Haynes, and brother of E. G. Haynes above mentioned, was born in Ross County, Ohio, in 1836, and came with the family to Madison County in 1859. In the latter county he now owns a farm of 103 acres, which he cultivates. His entire life has been devoted to agricultural pursuits, save four months spent in the late war. In 1881, he donated the lot for the Methodist Church now in progress of erection, known as the Blair Chapel. To this church he and wife both belong. They have a family of five children, all now living. Mr. Haynes is especially interested in all public improvements of his county or township.

JOHN HEATH, stock-dealer, P. O. West Jefferson, was born in Pleasant Township February 29, 1822. He is the son of David and Nancy (Thomas) Heath. The former, who was raised near Chillicothe, came to this county about sixty years ago, and settled in Pleasant Township, where he married, and where he still lives. They had ten children—four boys and six girls

—of whom three boys and four girls still survive. One subject remained at home until April 19, 1856, when he married Sarah A. Anderson, a native of Pleasant Township, and a daughter of Stephen and Margaret (Blackwell) Anderson, both natives of Kentucky, where they married in 1851, and, shortly after, moved to this county. They had five boys and five girls, of whom four boys and four girls still survive. Mr. and Mrs. Heath have had four children, viz., Emma, wife of Frank Howard, of this township; Alice, wife of Israel Brown, of Mechanicsburg; Louie, wife of John W. Burns; and Charley. Mr. Burns devoted his time largely to farming, but, in the last few years, he turned his attention to raising, buying, trading and shipping cattle, which he carries on extensively. He is a Republican in politics. Mrs. Heath is a member of the Methodist Church.

CHARLES G. HIGH, farmer, P. O. West Jefferson, is a son of Hosea and Mary Ann High, the former a native of New Jersey and the latter of Washington, D. C. Her father, in 1803, settled on the present site of Columbus, Ohio, where she grew up, married, and continued to reside until 1840, when Mr. High and family moved on their farm, seven miles north of Columbus. Fifteen years later, they settled in Brown Township, of the same county, where he died in 1876. His widow returned to Columbus, where she resides, aged about eighty years. Their children were eleven in number, eight of whom are still living, two in Madison County. Our subject, the second eldest of the family, was born in Columbus, Ohio, in 1836, and was raised there until the age of fourteen, in the meantime enjoying the privileges of the schools of that city. After moving to the farm, he, being among the eldest, was deprived of educational advantages, and kept constantly busy in the clearing-up of the land and in its cultivation. Thus he continued until his majority, when he went West, engaged as farm hand in different Western States, and settled in Missouri in 1859, having, two years previously, married Martha Brown. In the fall of 1864, he came to Madison County, Ohio, where he has since resided, and now owns a fine farm of 150 acres, which he cultivates with good success. Since residing here, he has filled the capacity of Township Trustee several terms. His ideas of religion are in accordance with the Universalist Church, to which he belongs. He is also one of the Trustees of the Alder Chapel property. He and wife have a family of four children, all now living. She is a daughter of the late Israel Brown, and a great-granddaughter of the late Rev. Lewis Foster, founder of the Foster Chapel Methodist Church.

ABNER JOHNSON, deceased, son of Jacob and grandson of Michael Johnson, who are both mentioned in the pioneer history of this volume, was born in Madison County, Ohio, August 16, 1812, and died in his native county March 23, 1882. He was raised to farm life, and made farming his occupation through life. He was a man of strong constitution, which enabled him, even although he started almost empty-handed in life, to accumulate a neat competency. Apart from the land owned at his death was his original purchase, which was all in the wilds of nature. He at one period in his life followed butchering for fourteen years in Jefferson, which resulted favorably. He was married, in 1836, to Mary Lapin, grand-daughter of the early pioneer, William Lapin, elsewhere mentioned in this work. She was born in Madison County April 26, 1819. Their children were ten in number, viz., Lewis, Jacob, James, Rebecca (deceased), Abner (deceased), Charles (deceased), Thomas J., John W., Albert and Alpha. Of these, Jacob, the second, was born January 1, 1839, and through life has been a farmer. Soon after his majority, he spent eight months in Illinois, but re-

turned to Ohio, and, in 1864, married, but from 1868 to 1872 he lived in Franklin County. At the last date given, he bought his present farm of fifty acres. He is a member of the Independent Order of Odd Fellows, and is now one of the Township Trustees. Mrs. Johnson is Elizabeth A., daughter of John Orego. She was born in Madison County in 1842, and is a member of the Methodist Church.

JAMES JOHNSON, farmer, P. O. West Jefferson, third child of Abner Johnson, deceased, who is represented in these pages, was born in 1841, and was raised to farm life, which he has ever since followed. He now owns 155 acres of land, under fair cultivation. He devotes some time and attention to stock-raising. He was married, in 1867, to Sarah, daughter of George Goodson, whose biography appears in this volume. She was born in Franklin County, Ohio, July 21, 1847, and by her Mr. Johnson has four children, all now living.

ABNER JOHNSON, farmer, P. O. West Jefferson, is a son of Abraham and a grandson of Jacob Johnson. Abraham Johnson was born in Jefferson Township September 29, 1808, and died in his native township January 14, 1874. He was raised through the pioneer trials and difficulties when schools and many other privileges that the present generation so abundantly enjoy were not to be had. By occupation he was a farmer through life. He cleared considerable of the farm now owned by W. P. Olney, but about 1850 settled on the farm where our subject now resides, and put on nearly all the improvements now seen. On this farm he was living at the time of his death. He was married, January 7, 1844, to Elizabeth Keen, who was born August 20, 1825, and died July 10, 1891, and by her had eight children, one of whom died in early life; seven are now living, and five are in Jefferson, their native township. His second wife is now living with our subject. She was Lydia, widow of Judson Olney, mentioned in sketch of W. P. Olney, of this township. She was born in Georgesville, Franklin Co., Ohio, in 1826. Abner, whose name heads this sketch, was born November 4, 1845. He was brought up to the pursuits which he still follows, and he now owns 175 acres of land. His marriage with Emma J., daughter of Judson and Lydia Olney, was celebrated August 8, 1866. Abner Johnson has represented his township in the Board of Trustees and as Assessor, discharging his duties with unwavering fidelity.

LEWIS JOHNSON, farmer, P. O. West Jefferson, son of Jacob and grandson of Michael Johnson, was born in Jefferson Township, Madison County, April 29, 1820. He was raised to farm life, and assisted in the pioneer duties of supporting his father's family. He remained at home until 1844, when he married Eliza Gardner, by whom he has had six children, four now living, and married, viz., Mary J., wife of J. W. Booth; Margaret A., wife of Calvin Bradley; Joseph H. and Luther W. The two latter both married daughters of Samuel Biggert, of Georgesville. Lewis Johnson, himself one of Jefferson Township's pioneer representatives, has always worked hard, and now owns a good farm of 243 acres. He has for a number of years been connected with the School Board. He is favorably inclined to all improvements of the county or township. Mrs. Johnson is a daughter of Joseph and Jane (Thompson) Gardner, natives of Ross County, Ohio, where she was born January 15, 1823. From eleven years of age, her parents resided in Madison County, where she still lives. Her mother now resides with her, but her father died in Illinois. Mrs. Johnson's mother is a grand-daughter of Margaret (Tiffin) Gardner, sister to the first Governor of Ohio.

LUTHER JOHNSON, farmer, P. O. West Jefferson, is a descendant of the early pioneer, Michael Johnson, who came to Madison County in 1797, and a son of Jacob Johnson, who is mentioned elsewhere in these pages. Our subject was born in Jefferson Township January 16, 1826. He was raised a farmer boy, and enjoyed only the privileges of the common schools. His attention through life has been more or less given to farming, but for a period of twenty-one years he made a specialty of handling and shipping stock. He owns a good-sized farm, and now gives his entire attention to it, save the time taken up in the duties of his office, Justice of the Peace. He has been publicly connected with the township more or less for several years. He married Mary A. Thompson in 1844, and by her has had six children; four only survive.

CHARLES C. JONES, banker, Jefferson, is a grandson of Samuel and a son of Isaac Jones, who were both natives of New Jersey, where the former matured and married. In 1819, he, wife and several children came to Ohio, locating in Jefferson Township, Madison County, purchasing land now occupied by Jefferson. His land joined Samuel Sexton's land, out of which two pioneers, on July 5, 1822, laid out New Hampton, just south of the present residence of John Heath. On September 15, 1823, Samuel Jones buried his wife, in the fifty-fourth year of her age. He soon after returned to New Jersey, where he married his second wife. On November 17, 1830, he and wife, Mary, deeded 110 acres of land, on the National road, just west of Little Darby, to his son, Isaac. Isaac was born in New Jersey in 1802, but, from seventeen years of age, was a resident of Ohio. In 1821, he married Eliza, daughter of John Mills. She was born in New York April 30, 1804. He and wife settled in New Hampton. The north line of the 110 acres deeded to him by his father was the northern limit of Jefferson, which town he laid out into sixty-four lots, in the fall of 1831. Early in life, he joined the Baptist Church, and, during the third decade of the present century, he was ordained as a minister in that church. Through his efforts the original church was organized at New Hampton. He labored long and faithfully, and, on the 22d of September, 1842, died. He was a zealous Christian worker, of unwavering fidelity and unwavering integrity. He was licensed to solemnize marriages on July 9, 1836, and, on March 20, 1840, William Shannon, Governor of the State, appointed him Associate Judge of the Court of Common Pleas for the county of Madison, in which capacity he served until his death. He was interred in the Hampton Cemetery, where a suitable monument has been erected to his memory. His widow survived him several years. They had born to them eight children, viz., Sarah, wife of Dr. Col. Crabb, of York, Neb.; an infant, deceased; Charles C.; Thomas P., who served as Quartermaster of the Ninety-fifth Ohio Volunteer Infantry in the late war; Col. William Jones, whose biography appears in Union Township; an infant, deceased; Samuel, who died in 1842, aged nine years; J. M., who left Oberlin College and enlisted in the late war, but now is a resident of Clark County, Ohio; and Isaac C., Jr., who was also a student in the same college, but, seeing the need of men to protect our country, left school, and, at Cincinnati, Ohio, enlisted in Company C, Seventh Ohio Volunteer Infantry. He rose to Lieutenant Colonel, participating in some of the severest battles, but, on November 27, 1863, while engaged in the battle at Kinggold, was mortally wounded, and, while lying in the last agonies of death, he said to his comrades, "I am happy to die for my country!" Of the entire family of Rev. Isaac Jones, four are now living, William and Charles, in Madison county. The latter was born

HENRY GILROY, retired farmer, P. O. Lilly Chapel, was born near Lebanon, Warren Co., Ohio, December 10, 1818, and is a son of John and Mary (Knight) Gilroy, natives of County Fermanagh, Ireland, who emigrated to America about 1815 and located near Lebanon, being among the pioneers of that county. Thence they removed to Clark County, and subsequently to Madison County about 1830, or possibly a little earlier. Here they resided till their death. They had seven children, of whom three now survive—James, Henry and George. The subject of this sketch was raised in Clark and Madison Counties, and was married in 1841 to Patience Hunt, who was born near South Charleston, Clark Co., Ohio, in April, 1826; she was a daughter of Isaiah and Rebecca Hunt, natives of New York. Mr. Gilroy first located in Allen County, Ohio, but in the fall of 1848 he removed to Madison County and purchased the land where he now lives, a part of which is now occupied by the village of Lilly Chapel. Here he has resided thirty-four years, and has been one of the leading men of this community. In 1874, he and Henry Lilly laid off the town which was called "Gilroy," in honor of our worthy subject and pioneer. He has lived to see this country greatly improved.

DR. CHARLES W. HIGGINS, physician, Big Plain, was born in Franklin County, Ohio, November 1, 1838, and is a son of Charles and Druzilla Higgins, a native of Maryland and she of Pennsylvania. The grandfather was Charles Higgins, a native of Maryland, who emigrated to Ohio and settled in Franklin County in 1812, ranking as a pioneer of that county. At that date there was but one house in Columbus, and that was a primitive log cabin. Mr. Higgins remained in that county till his death, aged sixty years. Charles, the father of our subject, was about six years of age when brought to Ohio, and here he grew to manhood fully accustomed to pioneer life. He married Druzilla Ball, a daughter of William Ball, a native of Pennsylvania, and settled on a part of the home place, where he remained through life, having devoted his entire life to farming, and he was a very successful and prosperous farmer. He and his wife both departed this life in the year 1855. They had eight children; seven grew to maturity, and three now survive—Loretta, wife of A. J. Richey; Jane, wife of Calvin Beatty, and Dr. Charles W., our subject. Mr. Higgins was a very industrious, active man, and as a farmer was very successful. The Doctor—our subject, was brought up to the healthful and honorable employment of the farm till sixteen years of age, when he entered the public schools of Columbus, where he attended one year. He then entered the Commercial School and completed their course of study. Then he attended the Capital University two years, and then after a short time of teaching he attended the Granville College two years. He then engaged several years in the work of teaching, and during this time entered upon the study of medicine with Dr. L. Woodruff of Alton, Ohio. Then he entered the Starling Medical College at Columbus, from which he graduated in the spring of 1865. He then entered upon the practice of his profession with Dr. Richey at Martinsville, Ind. In October, 1865, he returned to Ohio and located at California, where he has continued the practice of his profession to the present time. He has thoroughly established himself in the confidence of the people of this community, and has a large and growing practice. In addition to the practice of medicine, in 1868 he entered upon the drug business. In 1869, he purchased the stock of groceries of Harvey & Bro., and in 1876 he moved into his present building and entered upon a general merchandise trade, in which he has continued to the present time. On December 31, 1865, was celebrated his marriage with Jane A. Say, a daughter of James and Matilda Say, he a native of England and she of the State of New York. By this union they have had eleven children, eight of whom now survive—Minnie B., Laura, Carrie, Walter, Florence, James N., Rettie and Mary. During the war of the rebellion the Doctor enlisted in

July, 1862, in Company C, Ninety-fifth Regiment Ohio Volunteer Infantry and served six months, when, from sickness and disability he was discharged, having been engaged in one battle—Richmond, Ky.

Then he learned the trade of a plasterer, which business he followed about three years. In June, 1859, he entered as a clerk in the store of O. T. Curry, at Harrisburg, Franklin County, Ohio, where he continued three years. In the fall of 1862, he located in California, Madison County, Ohio, and entered upon the mercantile trade on his own account, in which he has continued to the present time—a period of twenty years. Mr. Hill started in life without capital, depending upon his own strength, intellect and integrity of character to win him success. He has succeeded, and now has a good property and a good stock of general merchandise, such as is needed in a village like California. He has a good trade, and has thoroughly established himself in the confidence of his community. On May 24, 1863, he was united in marriage with Nancy Ellen Snider, who was born in Pickaway County, January 7, 1842, and is a daughter of John and Elizabeth Snider, of Pickaway County. By this union they have four children—Alma Lillian, born August 19, 1868; Lorena May, born June 16, 1871; Etta Imo, born July 28, 1873, and William Henry, born May 17, 1880. Mr. Hill united with the Methodist Church in 1856, when in his fourteenth year, and has remained a consistent and worthy member for thirty-two years. His wife is also a member of the same church to which she has belonged twenty-two years. Their eldest child united with the church in the winter of 1882.

The grandfather, Jacob Horn, also a native of Virginia, lived and died in his native State. John M., the father of our subject, grew to manhood, and married a lady in Virginia by name of Millhoff, who died in Virginia, having borne him two children—both deceased. About 1817, he removed to Ohio and settled in Ross County, at that time there being but one shingle-roofed house in the town of Chillicothe. He married for his second wife, Elizabeth Recob, whose history is given in the sketches of Frederick and Valentine Recob. They settled in Ross County, where they resided till the fall of 1851, when they removed to Madison County and settled three miles west of California. Mr. Horn was a blacksmith by trade, which occupation he followed through life. While a young, single man, living in Virginia, in the time of slavery, he was an overseer, having charge of a number of slaves owned by Maj. Bedinger. He was an industrious, hard-working man, and a worthy member of the Methodist Episcopal Church for many years. Thomas Horn, our subject, married Sarah J. Courtwright, who was born in Franklin County, Ohio, July 1, 1839; she was a daughter of Jesse and Mary A. His father, Dr. Rice, was a slave-holder of Missouri, who came to Ohio over fifty years ago, married Amy Sayles and returned to the South, where he died. Mrs. Rice, with Nathan, an infant, came North and made her home with her father, David Sayles. She died within a few years at Columbus. Nathan was raised by his grandmother until fourteen or fifteen years of age, when he went to Iowa and there engaged in farming for about five years. He then returned to his old home, where he resided until after marriage. On May 29, 1873, he married Sarah A. Hume, daughter of James S. and Rebecca (McMurray) Hume, the former a native of Kentucky, and the latter of Pennsylvania. A year after, he purchased a tract of land on "Pessum Run," lying in Madison and Pickaway Counties, consisting of 100 acres. To this he subsequently added thirty acres more, and resided on that portion lying in Pickaway County until his death. His wife died in 1841 or 1842, and three children at the same time, the fatal disease being the flux and measles. There was a family of eight children born to him, our subject being the eldest and the only living survivor. Mr. S. married for his second wife Mrs. Catherine (Tipton) Gray, widow of Benjamin Gray. They were the parents of three or four children, only one now living—William, a farmer of Washington County, Iowa. The subject of this notice was reared a "farmer's boy," and when quite young was sent to school. He soon learned to speak English quite fluently, only using the German language at home. He remained with his father until twenty-two years of age, and then hired out to do farm work in Madison County, and a short time in Illinois, until his marriage, which occurred December 28, 1849. His wife was Elizabeth Carter, a native of this county, and a daughter of James Carter and wife, natives of Eastern Virginia or Pennsylvania, who located here in early times. Ross County Clerk of Courts Records

continued from page 18

The index referred to in roll 8 is volume at the courthouse with the exact words and arrangement on the spine:

Complete	Ross
Record	County
Index	

There is at least one other volume which has the same words but with different arrangement, which is a different index. It indexes Compl. Rec. by letter "M" etc. Other than that they look the same, on the spine.

Editor's note: Most of these same books were filmed in 1975 by the Genealogical Society of Salt Lake City, Utah but the roll numbers are different. A list was published in the RCGS Newsletter, Vol 4, pages 6 and 11.
